Message from the President

Greetings Alumni Members, I hope everyone has had a pleasant summer and fall. The scheduled Alumni Conference in Virginia Beach will be the 150th meeting. This location will offer a change in venue from the usual winter conferences which have traditionally been held in Williamsburg. It became necessary to change location due to the unavailability of a suitable hotel. Virginia Beach will offer more opportunities for shopping and a visit to the beach while the weather is still warm. This conference is scheduled earlier to avoid conflicts with holiday plans and to avoid that frequently-occurring snowstorm that created a hazard for the last few winter conferences.

Change to the by-laws - at the summer meeting in Charlottesville, the Alumni Membership voted to reduce the number of conferences per year from three meetings to two. A survey was conducted earlier this year and over 75% of those responding to the survey recommended two meetings. Two meetings per year will also help avoid conflicts with the Association's picnics and annual conferences.

The Alumni has seen growth this year; as of mid-August we have 21 new members. These additions are directly credited to our members contacting recent retirees. Members of the Alumni Board have devoted many hours to creating an environment where members are kept informed, and they enjoy a social experience that allows continued friendship and renewal of past acquaintances.

We owe a special thank you to the Executive Secretary, Dave Copley, and Treasurer, Phyllis Allgood, for the many hours they spend obtaining a location for conferences and collecting the registration applications. Please note that the photos on the website and in the Grapevine are provided by Phyllis - she searches the rooms for that photo opportunity. To hospitality crew consisting of MK, Elaine, Ellin, Joyce, Cheryl, (I have probably missed someone,) we want to let you know how much we appreciate your hard work. Ron Maxey continues to do an excellent job keeping everyone abreast of current events. Ralph Figgers continues to excel in bar keeping supervision.

Looking forward to seeing you all at the 150th Alumni Conference in Virginia Beach!!!

Regards,
Art King, President
