Selected Acts of the 2020
Virginia General Assembly

Compiled by
The Virginia Department of State Police
This volume of Selected Acts contains legislation passed by the 2020 Session of the Virginia General Assembly that is relevant to criminal law and highway safety. Additional copies of this reference guide may be found at the Virginia State Police website at: http://www.vsp.state.va.us/FormsPublications.shtm.

EXPLANATIONS WHICH MAY BE HELPFUL IN STUDYING THESE ACTS:

1. **Italicized** words indicate new language.

2. Lined through words indicate language that has been removed.

3. The table of contents is divided into four categories: Traffic, Criminal, Firearms and Miscellaneous. The bills in those categories are presented in either **full text** or **summary** form. Summarized bills are less relevant, yet still important legislation, and are found at the back of each section. Although summarized bills are not discussed in the recorded Selected Acts presentation, they should be reviewed.

4. Emergency Acts - are Acts with an emergency clause and were effective the moment they were signed by the Governor. Generally, the emergency clause appears as the last sentence of the Act.

5. Effective date - All Acts, other than those containing an emergency clause or those specifying a delayed effective date, become law on July 1, 2020. Note that different portions of a bill may carry different effective dates.

6. A brief overview outlining changes, provided by the Division of Legislative Services, appears at the beginning of each full text bill. This overview is only a brief synopsis of the bill. Before taking any enforcement action, carefully read the entire bill. Also, note that the Table of Contents contains a bill description which is not necessarily the same as the short title of the bill.

7. Questions regarding Selected Acts may be directed to the Office of Legal Affairs at (804) 674-6722.

8. Additional information on legislation may be found at: https://lis.virginia.gov/ and the Virginia State Police website at www.vsp.state.va.us.

§ 46.2-345. Issuance of special identification cards; fee; confidentiality; penalties.

A. On the application of any person who is a resident of the Commonwealth or the parent or legal guardian of any such person who is under the age of 15, the Department shall issue a special identification card to the person, provided that:

1. Application is made on a form prescribed by the Department and includes the applicant's full legal name; year, month, and date of birth; social security number; sex; and residence address. Applicants shall be permitted to choose between "male," "female," or "non-binary" when designating the applicant's sex on the application form;

2. The applicant presents, when required by the Department, proof of identity, legal presence, residency, and social security number or non-work authorized status;

3. The Department is satisfied that the applicant needs an identification card or the applicant shows he has a bona fide need for such a card; and

4. The applicant does not hold a driver's license, commercial driver's license, temporary driver's permit, learner's permit, motorcycle learner's permit, or special identification card without a photograph.

Persons 70 years of age or older may exchange a valid Virginia driver's license for a special identification card at no fee. Special identification cards subsequently issued to such persons shall be subject to the regular fees for special identification cards.
B. The fee for the issuance of an original, duplicate, reissue, or renewal special identification card is $2 per year, with a $10 minimum fee. Persons 21 years old or older may be issued a scenic special identification card for an additional fee of $5.

C. Every special identification card shall expire on the applicant's birthday at the end of the period of years for which a special identification card has been issued. At no time shall any special identification card be issued for less than three nor more than eight years, except under the provisions of subsection B of § 46.2-328.1 and except that those cards issued to children under the age of 15 shall expire on the child's sixteenth birthday. Notwithstanding these limitations, the Commissioner may extend the validity period of an expiring card if (i) the Department is unable to process an application for renewal due to circumstances beyond its control, (ii) the extension has been authorized under a directive from the Governor, and (iii) the card was not issued as a temporary special identification card under the provisions of subsection B of § 46.2-328.1. However, in no event shall the validity period be extended more than 90 days per occurrence of such conditions. Any special identification card issued to a person required to register pursuant to Chapter 9 (§ 9.1-900 et seq.) of Title 9.1 shall expire on the applicant's birthday in years which the applicant attains an age equally divisible by five. For each person required to register pursuant to Chapter 9 of Title 9.1, the Department may not waive the requirement that each such person shall appear for each renewal or the requirement to obtain a photograph in accordance with subsection C of § 46.2-323.

D. A special identification card issued under this section may be similar in size, shape, and design to a driver's license, and include a photograph of its holder, but the card shall be readily distinguishable from a driver's license and shall clearly state that it does not authorize the person to whom it is issued to drive a motor vehicle. Every applicant for a special identification card shall appear in person before the Department to apply for a renewal, duplicate or reissue unless specifically permitted by the Department to apply in another manner.

E. Special identification cards, for persons at least 15 years old but less than 21 years old, shall be immediately and readily distinguishable from those issued to persons 21 years old or older. Distinguishing characteristics shall include unique design elements of the document and descriptors within the photograph area to identify persons who are at least 15 years old but less than 21 years old. These descriptors shall include the month, day, and year when the person will become 21 years old.

F. Special identification cards for persons under age 15 shall bear a full face photograph. The special identification card issued to persons under age 15 shall be readily distinguishable from a driver's license and from other special identification cards issued by the Department. Such cards shall clearly indicate that it does not authorize the person to whom it is issued to drive a motor vehicle.

G. Unless otherwise prohibited by law, a valid Virginia driver's license shall be surrendered upon application for a special identification card without the applicant's having to present proof of legal presence as required by § 46.2-328.1 if the Virginia driver's license is unexpired and it has not been revoked, suspended, or cancelled. The special identification card shall be considered a reissue and the expiration date shall be the last day of the month of the surrendered driver's license's month of expiration.

H. Any personal information, as identified in § 2.2-3801, which is retained by the Department from an application for the issuance of a special identification card is confidential and shall not be divulged to any person, association, corporation, or organization, public or private, except to the legal guardian or the attorney of the applicant or to a person, association, corporation, or organization nominated in writing by the applicant, his
legal guardian, or his attorney. This subsection shall not prevent the Department from furnishing the application or any information thereon to any law-enforcement agency.

I. Any person who uses a false or fictitious name or gives a false or fictitious address in any application for an identification card or knowingly makes a false statement or conceals a material fact or otherwise commits a fraud in any such application shall be guilty of a Class 2 misdemeanor. However, where the name or address is given, or false statement is made, or fact is concealed, or fraud committed, with the intent to purchase a firearm or where the identification card is obtained for the purpose of committing any offense punishable as a felony, a violation of this section shall constitute a Class 4 felony.

J. The Department shall utilize the various communications media throughout the Commonwealth to inform Virginia residents of the provisions of this section and to promote and encourage the public to take advantage of its provisions.

K. The Department shall electronically transmit application information to the Department of State Police, in a format approved by the State Police, for comparison with information contained in the Virginia Criminal Information Network and National Crime Information Center Convicted Sexual Offender Registry Files, at the time of issuance of a special identification card. Whenever it appears from the records of the State Police that a person has failed to comply with the duty to register or reregister pursuant to Chapter 9 (§ 9.1-900 et seq.) of Title 9.1, the State Police shall promptly investigate and, if there is probable cause to believe a violation has occurred, obtain a warrant or assist in obtaining an indictment charging a violation of § 18.2-472.1 in the jurisdiction in which the person made application for the special identification card.

L. When requested by the applicant, the applicant's parent if the applicant is a minor, or the applicant's guardian, and upon presentation of a signed statement by a licensed physician confirming the applicant's condition, the Department shall indicate on the applicant's special identification card that the applicant has any condition listed in subsection K of § 46.2-342 or that the applicant is blind or vision impaired.

§ 46.2-345.2. Issuance of special identification cards without photographs; fee; confidentiality; penalties.

A. On the application of any person with a sincerely held religious belief prohibiting the taking of a photograph who is a resident of the Commonwealth and who is at least 15 years of age, the Department shall issue a special identification card without a photograph to the person, provided that:

1. Application is made on a form prescribed by the Department and includes the applicant's full legal name; year, month, and date of birth; social security number; sex; and residence address. Applicants shall be permitted to choose between "male," "female," or "non-binary" when designating the applicant's sex on the application form;

2. The applicant presents, when required by the Department, proof of identity, legal presence, residency, and social security number or non-work authorized status;

3. The applicant presents an approved and signed U.S. Department of the Treasury Internal Revenue Service (IRS) Form 4029 or if such applicant is a minor, the applicant's parent or legal guardian presents an approved and signed IRS Form 4029; and

4. The applicant does not hold a driver's license, commercial driver's license, temporary driver's permit, learner's permit, motorcycle learner's permit, or special identification card.
B. The fee for the issuance of an original, duplicate, or reissue special identification card without a photograph is $10 per year, with a $20 minimum fee.

C. Every special identification card without a photograph shall expire on the applicant's birthday at the end of the period of years for which a special identification card without a photograph has been issued. At no time shall any special identification card without a photograph be issued for more than eight years. Notwithstanding these limitations, the Commissioner may extend the validity period of an expiring card if (i) the Department is unable to process an application for re-issue due to circumstances beyond its control or (ii) the extension has been authorized under a directive from the Governor. However, in no event shall the validity period be extended more than 90 days per occurrence of such conditions.

D. A special identification card without a photograph issued under this section may be similar in size, shape, and design to a driver's license and shall not include a photograph of its holder. The card shall be readily distinguishable from a driver's license and shall clearly state that federal limits apply, that the card is not valid identification to vote, and that the card does not authorize the person to whom it is issued to drive a motor vehicle. Every applicant for a special identification card without a photograph shall appear in person before the Department to apply for a duplicate or reissue unless specifically permitted by the Department to apply in another manner.

E. Unless otherwise prohibited by law, a valid Virginia driver's license or special identification card shall be surrendered for a special identification card without a photograph without the applicant's having to present proof of legal presence as required by § 46.2-328.1 if the Virginia driver's license or special identification card is unexpired and has not been revoked, suspended, or canceled. The special identification card without a photograph shall be considered a reissue, and the expiration date shall be the last day of the month of the surrendered driver's license's or special identification card's month of expiration.

F. Any personal information, as identified in § 2.2-3801, that is retained by the Department from an application for the issuance of a special identification card without a photograph is confidential and shall not be divulged to any person, association, corporation, or organization, public or private, except to the legal guardian or the attorney of the applicant or to a person, association, corporation, or organization nominated in writing by the applicant, his legal guardian, or his attorney. This subsection shall not prevent the Department from furnishing the application or any information thereon to any law-enforcement agency.

G. Any person who uses a false or fictitious name or gives a false or fictitious address in any application for a special identification card without a photograph or knowingly makes a false statement or conceals a material fact or otherwise commits a fraud in any such application is guilty of a Class 2 misdemeanor. However, where the special identification card without a photograph is obtained for the purpose of committing any offense punishable as a felony, a violation of this section shall constitute a Class 4 felony.

H. Nothing in this section or § 18.2-266, 18.2-270, or 18.2-271 shall be construed as conflicting with or repealing any ordinance or resolution of any county, city, or town or county which restricts still further the right of such persons to drive or operate any such vehicle or conveyance.

B. Regardless of compliance with any other restrictions on his privilege to drive or operate a motor vehicle, it shall be a violation of this section for any person whose privilege to drive or operate a motor vehicle has been restricted, suspended or revoked because of a violation of § 18.2-36.1, 18.2-51.4, 18.2-266, 18.2-268.3, 46.2-341.24, or 46.2-341.26:3 or a similar ordinance or law of another state or the United States to drive or operate a motor vehicle on any highway, as defined in § 46.2-100, in the Commonwealth while he has a blood alcohol content of 0.02 percent or more.

The bill provides that driver privilege cards shall confer the same privileges and shall be subject to the same provisions as driver's licenses and permits; however, driver privilege cards shall not (a) confer voting privileges, (b) permit an individual to waive any part of the driver examination, or (c) have their issuance be contingent upon the applicant's ability to produce proof of legal presence in the United States. The bill limits the release of certain information stored by the Department. The bill provides for the term "driver's license" to consistently refer to all driver's licenses, permits, driver privilege cards, and special identification cards issued by the Commonwealth or the comparable law of another jurisdiction. The bill allows the issuance of a limited-duration driver's license and special identification card to an applicant presenting valid documentary evidence that a federal court or federal agency having jurisdiction over immigration has authorized the applicant to be in the United States for a period of at least 30 days from the date of application. The bill authorizes the Tax Commissioner to provide to the Commissioner of the Department information sufficient to verify that an applicant for a driver privilege card or permit reported income from Virginia sources or was claimed as a dependent on an individual tax return filed with the Commonwealth in the preceding 12 months. The bill has a delayed effective date of January 1, 2021. This bill is identical to SB 34.

(a) Sufficiency of debtor's name. A financing statement sufficiently provides the name of the debtor:

(1) except as otherwise provided in paragraph (3), if the debtor is a registered organization or the collateral is held in a trust that is a registered organization, only if the financing statement provides the name that is stated to be the registered organization's name on the public organic record most recently filed with or issued or enacted by the registered organization's jurisdiction of organization which purports to state, amend, or restate the registered organization's name;

(2) subject to subsection (f), if the collateral is being administered by the personal representative of a decedent, only if the financing statement provides, as the name of the debtor, the name of the decedent and, in a separate part of the financing statement, indicates that the collateral is being administered by a personal representative;

(3) if the collateral is held in a trust that is not a registered organization, only if the financing statement:

(A) provides, as the name of the debtor:

(i) if the organic record of the trust specifies a name for the trust, the name specified; or

(ii) if the organic record of the trust does not specify a name for the trust, the name of the settlor or testator; and

(B) in a separate part of the financing statement:

(4) subject to subsection (g), if the debtor is an individual to whom the Commonwealth has issued a driver's license or identification card pursuant to other document under Chapter 3 (§ 46.2-300 et seq.) of Title 46.2 that has not expired, only if it provides the name of the individual which is indicated on the driver's license or identification card other document;

(5) if the debtor is an individual to whom paragraph (4) does not apply, only if it provides the individual name of the debtor or the surname and first personal name of the debtor; and

(6) in other cases:

(A) if the debtor has a name, only if it provides the organizational name of the debtor; and
(B) if the debtor does not have a name, only if it provides the names of the partners, members, associates, or other persons comprising the debtor, in a manner that each name provided would be sufficient if the person named were the debtor.

(b) Additional debtor-related information. A financing statement that provides the name of the debtor in accordance with subsection (a) is not rendered ineffective by the absence of:

(1) a trade name or other name of the debtor; or

(2) unless required under subsection (a)(6)(B), names of partners, members, associates, or other persons comprising the debtor.

(c) Debtor's trade name insufficient. A financing statement that provides only the debtor's trade name does not sufficiently provide the name of the debtor.

(d) Representative capacity. Failure to indicate the representative capacity of a secured party or representative of a secured party does not affect the sufficiency of a financing statement.

(e) Multiple debtors and secured parties. A financing statement may provide the name of more than one debtor and the name of more than one secured party.

(f) Name of decedent. The name of the decedent indicated on the order appointing the personal representative of the decedent issued by the court having jurisdiction over the collateral is sufficient as the "name of the decedent" under subsection (a)(2).

(g) Multiple driver's licenses. If the Commonwealth has issued to an individual more than one driver's license or identification card other document of a kind described in subsection (a)(4), the one that was issued most recently is the one to which subsection (a)(4) refers.

(h) Definition. In this section, the "name of the settlor or testator" means:

(1) if the settlor is a registered organization, the name of the registered organization indicated on the public organic record filed with or issued or enacted by the registered organization's jurisdiction of organization; or

(2) in other cases, the name of the settlor or testator indicated in the trust's organic record.

§ 16.1-69.40:1. Traffic infractions within authority of traffic violations clerk; schedule of fines; prepayment of local ordinances.

A. The Supreme Court shall by rule, which may from time to time be amended, supplemented or repealed, but which shall be uniform in its application throughout the Commonwealth, designate the traffic infractions for
which a pretrial waiver of appearance, plea of guilty and fine payment may be accepted. Such designated
infractions shall include violations of §§ 46.2-830.1, 46.2-878.2 and 46.2-1242 or any parallel local ordinances.
Notwithstanding any rule of the Supreme Court, a person charged with a traffic offense that is listed as
prepayable in the Uniform Fine Schedule may prepay his fines and costs without court appearance whether or
not he was involved in an accident. The prepayable fine amount for a violation of § 46.2-878.2 shall be $200
plus an amount per mile-per-hour in excess of posted speed limits, as authorized in § 46.2-878.3.

Such infractions shall not include:

1. Indictable offenses;

2. [Repealed.]

3. Operation of a motor vehicle while under the influence of intoxicating liquor or a narcotic or habit-producing
drug, or permitting another person, who is under the influence of intoxicating liquor or a narcotic or habit-

4. Reckless driving;

5. Leaving the scene of an accident;

6. Driving while under suspension or revocation of driver's license driving privileges;

7. Driving without being licensed to drive.

8. [Repealed.]

magistrate, prior to any date fixed for trial in court. Any person so appearing may enter a waiver of trial and a
plea of guilty and pay the fine and any civil penalties established for the offense charged, with costs. He shall,
prior to the plea, waiver, and payment, be informed of his right to stand trial, that his signature to a plea of guilty
will have the same force and effect as a judgment of court, and that the record of conviction will be sent to the
Commissioner of the Department of Motor Vehicles or the appropriate offices of the State where he received his
license to drive.

C. The Supreme Court, upon the recommendation of the Committee on District Courts, shall establish a
schedule, within the limits prescribed by law, of the amounts of fines and any civil penalties to be imposed,
designating each infraction specifically. The schedule, which may from time to time be amended, supplemented
or repealed, shall be uniform in its application throughout the Commonwealth. Such schedule shall not be
construed or interpreted so as to limit the discretion of any trial judge trying individual cases at the time fixed for
trial. The rule of the Supreme Court establishing the schedule shall be prominently posted in the place where the
fines are paid. Fines and costs shall be paid in accordance with the provisions of this Code or any rules or
regulations promulgated thereunder.

D. Fines imposed under local traffic infraction ordinances that do not parallel provisions of state law and fulfill
the criteria set out in subsection A may be prepayable in the manner set forth in subsection B if such ordinances
appear in a schedule entered by order of the local circuit courts. The chief judge of each circuit may establish a
schedule of the fines, within the limits prescribed by local ordinances, to be imposed for prepayment of local ordinances designating each offense specifically. Upon the entry of such order it shall be forwarded within 10 days to the Supreme Court of Virginia by the clerk of the local circuit court. The schedule, which from time to time may be amended, supplemented or repealed, shall be uniform in its application throughout the circuit. Such schedule shall not be construed or interpreted so as to limit the discretion of any trial judge trying individual cases at the time fixed for trial. This schedule shall be prominently posted in the place where fines are paid. Fines and costs shall be paid in accordance with the provisions of this Code or any rules or regulations promulgated thereunder.

In addition, an amount shall be assessed for any full and partial months between the effective date of the order and the date that the first monthly payment is due. The assessment for the initial partial month shall be prorated from the effective date through the end of that month, based on the current monthly obligation;

8. a. An order for health care coverage, including the health insurance policy information, for dependent children pursuant to §§ 20-108.1 and 20-108.2 if available at reasonable cost as defined in § 63.2-1900, or a written statement that health care coverage is not available at a reasonable cost as defined in such section, and a statement as to whether there is an order for health care coverage for a spouse or former spouse; and

b. A statement as to whether cash medical support, as defined in § 63.2-1900, is to be paid by or reimbursed to a party pursuant to subsections D and G of § 20-108.2, and if such expenses are ordered, then the provisions governing how such payment is to be made;

13. The separate amounts due to each person under the order, unless the court specifically orders a unitary award of child and spousal support due or the order affirms a separation agreement containing provision for such unitary award;

14. Notice that in determination of a support obligation, the support obligation as it becomes due and unpaid creates a judgment by operation of law. The order shall also provide, pursuant to § 20-78.2, for interest on the arrearage at the judgment rate as established by § 6.2-302 unless the obligee, in a writing submitted to the court, waives the collection of interest;

15. Notice that on and after July 1, 1994, the Department of Social Services may, pursuant to Chapter 19 (§ 63.2-1900 et seq.) of Title 63.2 and in accordance with §§ 20-108.2 and 63.2-1921, initiate a review of the amount of support ordered by any court;

The provisions of this section shall not apply to divorce decrees where there are no minor children whom the parties have a mutual duty to support.

§ 20-107.1. Court may decree as to maintenance and support of spouses.
A. Pursuant to any proceeding arising under subsection L of § 16.1-241 or upon the entry of a decree providing (i) for the dissolution of a marriage, (ii) for a divorce, whether from the bond of matrimony or from bed and board, (iii) that neither party is entitled to a divorce, or (iv) for separate maintenance, the court may make such further decree as it shall deem expedient concerning the maintenance and support of the spouses, notwithstanding a party's failure to prove his grounds for divorce, provided that a claim for support has been properly pled by the party seeking support. However, the court shall have no authority to decree maintenance and support payable by the estate of a deceased spouse.

B. Any maintenance and support shall be subject to the provisions of § 20-109, and no permanent maintenance and support shall be awarded from a spouse if there exists in such spouse's favor a ground of divorce under the provisions of subdivision A (1) of § 20-91. However, the court may make such an award notwithstanding the existence of such ground if the court determines from clear and convincing evidence, that a denial of support and maintenance would constitute a manifest injustice, based upon the respective degrees of fault during the marriage and the relative economic circumstances of the parties.

C. The court, in its discretion, may decree that maintenance and support of a spouse be made in periodic payments for a defined duration, or in periodic payments for an undefined duration, or in a lump sum award, or in any combination thereof.

D. In addition to or in lieu of an award pursuant to subsection C, the court may reserve the right of a party to receive support in the future. In any case in which the right to support is so reserved, there shall be a rebuttable presumption that the reservation will continue for a period equal to 50 percent of the length of time between the date of the marriage and the date of separation. Once granted, the duration of such a reservation shall not be subject to modification.

E. The court, in determining whether to award support and maintenance for a spouse, shall consider the circumstances and factors which contributed to the dissolution of the marriage, specifically including adultery and any other ground for divorce under the provisions of subdivision A (3) or (6) of § 20-91 or § 20-95. In determining the nature, amount and duration of an award pursuant to this section, the court shall consider the following:

1. The obligations, needs and financial resources of the parties, including but not limited to income from all pension, profit sharing or retirement plans, of whatever nature;

2. The standard of living established during the marriage;

3. The duration of the marriage;

4. The age and physical and mental condition of the parties and any special circumstances of the family;

5. The extent to which the age, physical or mental condition or special circumstances of any child of the parties would make it appropriate that a party not seek employment outside of the home;

6. The contributions, monetary and nonmonetary, of each party to the well-being of the family;

7. The property interests of the parties, both real and personal, tangible and intangible;
8. The provisions made with regard to the marital property under § 20-107.3;

9. The earning capacity, including the skills, education and training of the parties and the present employment opportunities for persons possessing such earning capacity;

10. The opportunity for, ability of, and the time and costs involved for a party to acquire the appropriate education, training and employment to obtain the skills needed to enhance his or her earning ability;

11. The decisions regarding employment, career, economics, education and parenting arrangements made by the parties during the marriage and their effect on present and future earning potential, including the length of time one or both of the parties have been absent from the job market;

12. The extent to which either party has contributed to the attainment of education, training, career position or profession of the other party; and

13. Such other factors, including the tax consequences to each party and the circumstances and factors that contributed to the dissolution, specifically including any ground for divorce, as are necessary to consider the equities between the parties.

F. In contested cases in the circuit courts, any order granting, reserving or denying a request for spousal support shall be accompanied by written findings and conclusions of the court identifying the factors in subsection E which support the court's order. Any order granting or reserving any request for spousal support shall state whether the retirement of either party was contemplated by the court and specifically considered by the court in making its award, and, if so, the order shall state the facts the court contemplated and specifically considered as to the retirement of the party. If the court awards periodic support for a defined duration, such findings shall identify the basis for the nature, amount and duration of the award and, if appropriate, a specification of the events and circumstances reasonably contemplated by the court which support the award.

G. For purposes of this section and § 20-109, "date of separation" means the earliest date at which the parties are physically separated and at least one party intends such separation to be permanent provided the separation is continuous thereafter and "defined duration" means a period of time (i) with a specific beginning and ending date or (ii) specified in relation to the occurrence or cessation of an event or condition other than death or termination pursuant to § 20-110.

H. Where there are no minor children whom the parties have a mutual duty to support, an order directing the payment of spousal support, including those orders confirming separation agreements, entered on or after October 1, 1985, whether they are original orders or modifications of existing orders, shall contain the following:

1. If known, the name, date of birth, and social security number of each party and, unless otherwise ordered, each party's residential and, if different, mailing address, residential and employer telephone number, driver's license and number appearing on a driver's license or other document issued under Chapter 3 (§ 46.2-300 et seq.) of Title 46.2 or the comparable law of another jurisdiction, and the name and address of his each party's employer; however, when a protective order has been issued or the court otherwise finds reason to believe that a party is at risk of physical or emotional harm from the other party, information other than the name of the party at risk shall not be included in the order;
2. The amount of periodic spousal support expressed in fixed sums, together with the payment interval, the date payments are due, and the date the first payment is due;

3. A statement as to whether there is an order for health care coverage for a party;

4. If support arrearages exist, (i) to whom an arrearage is owed and the amount of the arrearage, (ii) the period of time for which such arrearage is calculated, and (iii) a direction that all payments are to be credited to current spousal support obligations first, with any payment in excess of the current obligation applied to arrearages;

5. If spousal support payments are ordered to be paid directly to the obligee, and unless the court for good cause shown orders otherwise, the parties shall give each other and the court at least 30 days' written notice, in advance, of any change of address and any change of telephone number within 30 days after the change; and

6. Notice that in determination of a spousal support obligation, the support obligation as it becomes due and unpaid creates a judgment by operation of law.

§ 22.1-205. Driver education programs.

A. The Board of Education shall establish for the public school system a standardized program of driver education in the safe operation of motor vehicles. Such program shall consist of classroom training and behind-the-wheel driver training. However, any student who participates in such a program of driver education shall meet the academic requirements established by the Board, and no student in a course shall be permitted to operate a motor vehicle without a license or permit to do so issued by the Department of Motor Vehicles under Chapter 3 (§ 46.2-300 et seq.) of Title 46.2, or the comparable law of another jurisdiction, authorizing the operation of a motor vehicle upon the highways.

1. The driver education program shall include (i) instruction concerning (a) alcohol and drug abuse; (b) aggressive driving; (c) distracted driving; (d) motorcycle awareness; (e) organ and tissue donor awareness; (f) fuel-efficient driving practices; and (g) traffic stops, including law-enforcement procedures for traffic stops, appropriate actions to be taken by drivers during traffic stops, and appropriate interactions with law-enforcement officers who initiate traffic stops, and (ii) in Planning District 8, an additional minimum 90-minute parent/student driver education component. The additional parent/student driver education component may be provided to students outside Planning District 8, at the discretion of each local school board.

2. The parent/student driver education component shall be administered as part of the classroom portion of the driver education curriculum. In Planning District 8, the parent/student driver education component shall be administered in-person. Outside Planning District 8, the parent/student driver education component may be administered either in-person or online by a public school or driver training schools that are licensed as computer-based driver education providers. For students in Planning District 8 and those students in school divisions that offer the parent/student component, the participation of the student's parent or guardian shall be required, and the program shall emphasize (i) parental responsibilities regarding juvenile driver behavior, (ii) juvenile driving restrictions pursuant to the Code of Virginia, and (iii) the dangers of driving while intoxicated and underage consumption of alcohol. Such instruction shall be developed by the Department in cooperation with the Virginia Alcohol Safety Action Program, the Department of Health, and the Department of Behavioral Health and Developmental Services, as appropriate. Nothing in this subdivision precludes any school division outside Planning District 8 from including a program of parental involvement as part of a driver education
program in addition to or as an alternative to the minimum 90-minute parent/student driver education component.

3. Any driver education program shall require a minimum number of miles driven during the behind-the-wheel driver training.

B. The Board shall assist school divisions by preparation, publication and distribution of competent driver education instructional materials to ensure a more complete understanding of the responsibilities and duties of motor vehicle operators.

C. Each school board shall determine whether to offer the program of driver education in the safe operation of motor vehicles and, if offered, whether such program shall be an elective or a required course. In addition to the fee approved by the Board of Education pursuant to the appropriation act that allows local school boards to charge a per pupil fee for behind-the-wheel driver education, the Board of Education may authorize a local school board's request to assess a surcharge in order to further recover program costs that exceed state funds distributed through basic aid to school divisions offering driver education programs. Each school board may waive the fee or the surcharge in total or in part for those students it determines cannot pay the fee or surcharge. Only school divisions complying with the standardized program and regulations established by the Board of Education and the provisions of § 46.2-335 shall be entitled to participate in the distribution of state funds appropriated for driver education.

School boards in Planning District 8 shall make the 90-minute parent/student driver education component available to all students and their parents or guardians who are in compliance with § 22.1-254.

D. The actual initial driving instruction shall be conducted, with motor vehicles equipped as may be required by regulation of the Board of Education, on private or public property removed from public highways if practicable; if impracticable, then, at the request of the school board, the Commissioner of Highways shall designate a suitable section of road near the school to be used for such instruction. Such section of road shall be marked with signs, which the Commissioner of Highways shall supply, giving notice of its use for driving instruction. Such signs shall be removed at the close of the instruction period. No vehicle other than those used for driver training shall be operated between such signs at a speed in excess of 25 miles per hour. Violation of this limit shall be a Class 4 misdemeanor.

E. The Board of Education may, in its discretion, promulgate regulations for the use and certification of paraprofessionals as teaching assistants in the driver education programs of school divisions.

F. The Board of Education shall approve correspondence courses for the classroom training component of driver education. These correspondence courses shall be consistent in quality with instructional programs developed by the Board for classroom training in the public schools. Students completing the correspondence courses for classroom training, who are eligible to take behind-the-wheel driver training, may receive behind-the-wheel driver training (i) from a public school, upon payment of the required fee, if the school division offers behind-the-wheel driver training and space is available, (ii) from a driver training school licensed by the Department of Motor Vehicles, or (iii) in the case of a home schooling parent or guardian instructing his own child who meets the requirements for home school instruction under § 22.1-254.1 or subdivision B 1 of § 22.1-254, from a behind-the-wheel training course approved by the Board. Nothing herein shall be construed to require any school division to provide behind-the-wheel driver training to nonpublic school students.
§ 24.2-410.1. Citizenship status; Department of Motor Vehicles to furnish lists of noncitizens.

A. The Department of Motor Vehicles shall include on the application for a driver's license, commercial driver's license, temporary driver's permit, learner's permit, motorcycle learner's permit, special identification card, or renewal thereof, issued pursuant to the provisions of Chapter 3 (§ 46.2-300 et seq.) of Title 46.2, as a predicate to offering a voter registration application pursuant to § 24.2-411.1, a statement asking the applicant if he is a United States citizen. If the applicant indicates a noncitizen status, the Department of Motor Vehicles shall not offer that applicant the opportunity to apply for voter registration. If the applicant indicates that he is a United States citizen and that he wishes to register to vote or change his voter registration address, the statement that he is a United States citizen shall become part of the voter registration application offered to the applicant. Information on citizenship status shall not be a determinative factor for the issuance of any document pursuant to the provisions of Chapter 3 (§ 46.2-300 et seq.) of Title 46.2.

B. Additionally, the Department of Motor Vehicles shall furnish monthly to the Department of Elections a complete list of all persons who have indicated a noncitizen status to the Department of Motor Vehicles in obtaining a driver's license, commercial driver's license, temporary driver's permit, learner's permit, motorcycle learner's permit, special identification card, or renewal thereof, issued pursuant to the provisions of Chapter 3 (§ 46.2-300 et seq.) of Title 46.2. The Department of Elections shall transmit the information from the list to the appropriate general registrars. Information in the lists shall be confidential and available only for official use by the Department of Elections and general registrars.

C. For the purposes of this section, the Department of Motor Vehicles is not responsible for verifying the claim of any applicant who indicates United States citizen status when applying for a driver's license, commercial driver's license, temporary driver's permit, learner's permit, motorcycle learner's permit, special identification card, or renewal thereof, issued pursuant to the provisions of Chapter 3 (§ 46.2-300 et seq.) of Title 46.2.

§ 24.2-411.1. Offices of the Department of Motor Vehicles.

A. The Department of Motor Vehicles shall provide the opportunity to register to vote to each person who comes to an office of the Department of Motor Vehicles to:

1. Apply for, replace, or renew a driver's license or other document issued under Chapter 3 (§ 46.2-300 et seq.) of Title 46.2 except driver privilege cards or permits issued pursuant to § 46.2-328.3; or

2. Apply for, replace, or renew a special identification card; or

4. Change an address on an existing driver's license or special identification card or other document issued under Chapter 3 (§ 46.2-300 et seq.) of Title 46.2 except driver privilege cards or permits issued pursuant to § 46.2-328.3.

B. The method used to receive an application for voter registration shall avoid duplication of the license portion of the license application and require only the minimum additional information necessary to enable registrars to determine the voter eligibility of the applicant and to administer voter registration and election laws. A person who does not sign the registration portion of the application shall be deemed to have declined to register at that time. The voter application shall include a statement that, if an applicant declines to register to vote, the fact the applicant has declined to register will remain confidential and will be used only for voter registration purposes.
Each application form distributed under this section shall be accompanied by the following statement featured prominently in boldface capital letters: "WARNING: INTENTIONALLY MAKING A MATERIALLY FALSE STATEMENT ON THIS FORM CONSTITUTES THE CRIME OF ELECTION FRAUD, WHICH IS PUNISHABLE UNDER VIRGINIA LAW AS A FELONY. VIOLATORS MAY BE SENTENCED TO UP TO 10 YEARS IN PRISON, OR UP TO 12 MONTHS IN JAIL AND/OR FINED UP TO $2,500."

Any completed application for voter registration submitted by a person who is already registered shall serve as a written request to update his registration record. Any change of address form submitted for purposes of a motor vehicle driver's license or special identification card, other document issued under Chapter 3 (§ 46.2-300 et seq.) of Title 46.2 shall serve as notification of change of address for voter registration for the registrant involved unless the registrant states on the form that the change of address is not for voter registration purposes. If the information from the notification of change of address for voter registration indicates that the registered voter has moved to another general registrar's jurisdiction within the Commonwealth, the notification shall be treated as a request for transfer from the registered voter. The notification and the registered voter's registration record shall be transmitted as directed by the Department of Elections to the appropriate general registrar who shall send confirmation documents of the transfer to the voter pursuant to § 24.2-424. The Department of Motor Vehicles and Department of Elections shall cooperate in the prompt transmittal by electronic or other means of the notification to the appropriate general registrar.

C. The completed voter registration portion of the application shall be transmitted as directed by the Department of Elections not later than five business days after the date of receipt. The Department of Motor Vehicles and Department of Elections shall cooperate in the prompt transmittal by electronic or other means of the voter registration portion of the application to the appropriate general registrar.

E. A person who provides services at the Department of Motor Vehicles shall not disclose, except as authorized by law for official use, the social security number, or any part thereof, of any applicant for voter registration.

F. The Department of Motor Vehicles shall provide assistance as required in providing voter photo identification cards as provided in subdivision A 3 of § 24.2-404.

§ 24.2-416.7. Application for voter registration by electronic means.

A. Notwithstanding any other provision of law, a person who is qualified to register to vote may apply to register to vote by electronic means as authorized by the State Board by completing an electronic registration application.

B. Notwithstanding any other provision of law, a registered voter may satisfy the requirements of §§ 24.2-423 and 24.2-424 to notify the general registrar of a change of legal name or place of residence within the Commonwealth by electronic means as authorized by the State Board by completing an electronic registration application.

C. An electronic registration application completed pursuant to this article shall require that an applicant:

1. Provide the information as required under § 24.2-418;
2. Have a Virginia driver's license or special identification card issued by the Department of Motor Vehicles under Chapter 3 (§ 46.2-300 et seq.) of Title 46.2;

3. Provide a social security number and Department of Motor Vehicles customer identifier number that matches the applicant's record in the Department of Motor Vehicles records;

4. Attest to the truth of the information provided;

5. Sign the application in a manner consistent with the Uniform Electronic Transactions Act (§ 59.1-479 et seq.);

6. Affirmatively authorize the Department of Elections and general registrar to use the applicant's signature obtained by the Department of Motor Vehicles for voter registration purposes.

D. In order for an individual to complete a transaction under this article, the general registrar shall verify that the Department of Motor Vehicles customer identifier number, date of birth, and social security number provided by the applicant match the information contained in the Department of Motor Vehicles records.

E. The Department of Motor Vehicles shall provide to the Department of Elections a digital copy of the applicant's signature on record with the Department of Motor Vehicles.

F. The Department of Elections shall transmit to the general registrar an applicant's completed voter registration application and digital signature not later than five business days after the date of receipt.

G. Each transaction taking place under this section shall be accompanied by the following statement featured prominently in boldface capital letters: "WARNING: INTENTIONALLY MAKING A MATERIALLY FALSE STATEMENT DURING THIS TRANSACTION CONSTITUTES THE CRIME OF ELECTION FRAUD, WHICH IS PUNISHABLE UNDER VIRGINIA LAW AS A FELONY. VIOLATORS MAY BE SENTENCED TO UP TO 10 YEARS IN PRISON, OR UP TO 12 MONTHS IN JAIL AND/OR FINED UP TO $2,500."

H. The Department of Elections may use additional security measures approved by the State Board to ensure the accuracy and integrity of registration transactions performed under this article.

B. An officer of election shall ask the voter for his full name and current residence address and the voter may give such information orally or in writing. The officer of election shall repeat, in a voice audible to party and candidate representatives present, the full name and address provided by the voter. The officer shall ask the voter to present any one of the following forms of identification: his valid Virginia driver's license, his valid United States passport, or any other photo identification issued by the Commonwealth, one of its political subdivisions, or the United States, other than a driver privilege card issued under § 46.2-328.3; any valid student identification card containing a photograph of the voter and issued by any institution of higher education located in the Commonwealth or any private school located in the Commonwealth; or any valid employee identification
card containing a photograph of the voter and issued by an employer of the voter in the ordinary course of the employer's business.

Any voter who does not show one of the forms of identification specified in this subsection shall be offered a provisional ballot under the provisions of § 24.2-653. The State Board of Elections shall provide an ID-ONLY provisional ballot envelope that requires no follow-up action by the registrar or electoral board other than matching submitted identification documents from the voter for the electoral board to make a determination on whether to count the ballot.

If the voter presents one of the forms of identification listed above, if his name is found on the pollbook in a form identical to or substantially similar to the name on the presented form of identification and the name provided by the voter, if he is qualified to vote in the election, and if no objection is made, an officer shall enter, opposite the voter's name on the pollbook, the first or next consecutive number from the voter count form provided by the State Board, or shall enter that the voter has voted if the pollbook is in electronic form; an officer shall provide the voter with the official ballot; and another officer shall admit him to the voting booth. Each voter whose name has been marked on the pollbooks as present to vote and entitled to a ballot shall remain in the presence of the officers of election in the polling place until he has voted. A voter may be accompanied into the voting booth by his child age 15 or younger.

C. If the current residence address provided by the voter is different from the address shown on the pollbook, the officer of election shall furnish the voter with a change of address form prescribed by the State Board. Upon its completion, the voter shall sign the prescribed form, subject to felony penalties for making false statements pursuant to § 24.2-1016, which the officer of election shall then place in an envelope provided for such forms for transmission to the general registrar who shall then transfer or cancel the registration of such voter pursuant to Chapter 4 (§ 24.2-400 et seq.).

If the voter is able to provide his social security number, he shall be furnished with a voter registration form prescribed by the State Board to update his registration information. Upon its completion, the form shall be placed by the officer of election in an envelope provided for such forms for transmission to the general registrar. Any social security numbers so provided shall be entered by the general registrar in the voter's record on the voter registration system.

§ 38.2-2212. Grounds and procedure for cancellation of or refusal to renew motor vehicle insurance policies; review by Commissioner.

A. The following definitions shall apply to this section:

"Cancellation" or "to cancel" means a termination of a policy during the policy period.

"Insurer" means any insurance company, association, or exchange licensed to transact motor vehicle insurance in this Commonwealth.

"Policy of motor vehicle insurance" or "policy" means a policy or contract for bodily injury or property damage liability insurance issued or delivered in this Commonwealth covering liability arising from the ownership, maintenance, or use of any motor vehicle, insuring as the named insured one individual or husband and wife who are residents of the same household, and under which the insured vehicle designated in the policy is either:

a. A motor vehicle of a private passenger, station wagon, or motorcycle type that is not used commercially, rented to others, or used as a public or livery conveyance where the term "public or livery conveyance" does not include car pools, or

b. Any other four-wheel motor vehicle which is not used in the occupation, profession, or business, other than farming, of the insured, or as a public or livery conveyance, or rented to others. The term "policy of motor vehicle insurance" or "policy" does not include (i) any policy issued through the Virginia Automobile Insurance Plan, (ii) any policy covering the operation of a garage, sales agency, repair shop, service station, or public parking place, (iii) any policy providing insurance only on an excess basis, or (iv) any other contract providing insurance to the named insured even though the contract may incidentally provide insurance on motor vehicles.

"Renewal" or "to renew" means (i) the issuance and delivery by an insurer of a policy superseding at the end of the policy period a policy previously issued and delivered by the same insurer, providing types and limits of coverage at least equal to those contained in the policy being superseded, or (ii) the issuance and delivery of a certificate or notice extending the term of a policy beyond its policy period or term with types and limits of coverage at least equal to those contained in the policy. Each renewal shall conform with the requirements of the manual rules and rating program currently filed by the insurer with the Commission. Except as provided in subsection K, any policy with a policy period or term of less than 12 months or any policy with no fixed expiration date shall for the purpose of this section be considered as if written for successive policy periods or terms of six months from the original effective date.
B. This section shall apply only to that portion of a policy of motor vehicle insurance providing the coverage required by §§ 38.2-2204, 38.2-2205, and 38.2-2206.

C. 1. No insurer shall refuse to renew a motor vehicle insurance policy solely because of any one or more of the following factors:
   
a. Age;
   
b. Sex;
   
c. Residence;
   
d. Race;
   
e. Color;
   
f. Creed;
   
g. National origin;
   
h. Ancestry;
   
i. Marital status;
   
j. Lawful occupation, including the military service;
   
k. Lack of driving experience, or number of years driving experience;
   
l. Lack of supporting business or lack of the potential for acquiring such business;
   
m. One or more accidents or violations that occurred more than 48 months immediately preceding the upcoming anniversary date;
   
n. One or more claims submitted under the uninsured motorists coverage of the policy where the uninsured motorist is known or there is physical evidence of contact;
   
o. A single claim by a single insured submitted under the medical expense coverage due to an accident for which the insured was neither wholly nor partially at fault;
   
p. One or more claims submitted under the comprehensive or towing coverages. However, nothing in this section shall prohibit an insurer from modifying or refusing to renew the comprehensive or towing coverages at the time of renewal of the policy on the basis of one or more claims submitted by an insured under those coverages, provided that the insurer shall mail or deliver to the insured at the address shown in the policy, or deliver electronically to the address provided by the named insured, written notice of any such change in coverage at least 45 days prior to the renewal;
q. Two or fewer motor vehicle accidents within a three-year period unless the accident was caused either wholly or partially by the named insured, a resident of the same household, or other customary operator;

r. Credit information contained in a "consumer report," as defined in the federal Fair Credit Reporting Act, 15 U.S.C. § 1681 et seq., bearing on a natural person's creditworthiness, credit standing or credit capacity. If credit information is used, in part, as the basis for the nonrenewal, such credit information shall be based on a consumer report procured within 120 days from the effective date of the nonrenewal. The provisions of this subdivision shall apply only to insurance purchased primarily for personal, family, or household purposes;

s. The refusal of a motor vehicle owner as defined in § 46.2-1088.6 to provide access to recorded data from a recording device as defined in § 46.2-1088.6; or

t. The status of the person as a foster care provider or a person in foster care.

2. Nothing in this section shall require any insurer to renew a policy for an insured where the insured's occupation has changed so as to materially increase the risk. Nothing contained in subdivisions 1 n, o, and p shall prohibit an insurer from refusing to renew a policy where a claim is false or fraudulent. Nothing in this section prohibits any insurer from setting rates in accordance with relevant actuarial data.

D. No insurer shall cancel a policy except for one or more of the following reasons:

1. The named insured or any other operator who either resides in the same household or customarily operates a motor vehicle insured under the policy has had his driving privileges suspended or revoked during the policy period or, if the policy is a renewal, during its policy period or the 90 days immediately preceding the last effective date.

2. The named insured fails to pay the premium for the policy or any installment of the premium, whether payable to the insurer or its agent either directly or indirectly under any premium finance plan or extension of credit.

3. The named insured or his duly constituted attorney-in-fact has notified the insurer of a change in the insured's legal residence to a state other than Virginia and the insured vehicle will be principally garaged in the new state of legal residence.

E. No cancellation or refusal to renew by an insurer of a policy of motor vehicle insurance shall be effective unless the insurer delivers or mails to the named insured at the address shown in the policy a written notice of the cancellation or refusal to renew, or the insurer delivers such notice electronically to the address provided by the named insured. The notice shall:

1. Be in a type size authorized under § 38.2-311.

2. State the effective date of the cancellation or refusal to renew. The effective date of cancellation or refusal to renew shall be at least 45 days after mailing or delivering to the insured the notice of cancellation or notice of refusal to renew. However, when the policy is being canceled or not renewed for the reason set forth in subdivision D 2 the effective date may be less than 45 days but at least 15 days from the date of mailing or delivery.
3. State the specific reason of the insurer for cancellation or refusal to renew and provide for the notification required by §§ 38.2-608, 38.2-609, and subsection B of § 38.2-610. However, those notification requirements shall not apply when the policy is being canceled or not renewed for the reason set forth in subdivision D 2.

4. Inform the insured of his right to request in writing within 15 days of the receipt of the notice that the Commissioner review the action of the insurer.

The notice of cancellation or refusal to renew shall contain the following statement to inform the insured of such right:

IMPORTANT NOTICE

Within 15 days of receiving this notice, you or your attorney may request in writing that the Commissioner of Insurance review this action to determine whether the insurer has complied with Virginia laws in canceling or nonrenewing your policy. If this insurer has failed to comply with the cancellation or nonrenewal laws, the Commissioner may require that your policy be reinstated. However, the Commissioner is prohibited from making underwriting judgments. If this insurer has complied with the cancellation or nonrenewal laws, the Commissioner does not have the authority to overturn this action.

5. Inform the insured of the possible availability of other insurance which may be obtained through his agent, through another insurer, or through the Virginia Automobile Insurance Plan.

6. If sent by mail or delivered electronically, comply with the provisions of § 38.2-2208.

Nothing in this subsection prohibits any insurer or agent from including in the notice of cancellation or refusal to renew, any additional disclosure statements required by state or federal laws, or any additional information relating to the availability of other insurance.

F. Nothing in this section shall apply:

1. If the insurer or its agent acting on behalf of the insurer has manifested its willingness to renew by issuing or offering to issue a renewal policy, certificate, or other evidence of renewal, or has manifested its willingness to renew in writing to the insured. The written manifestation shall include the name of a proposed insurer, the expiration date of the policy, the type of insurance coverage, and information regarding the estimated renewal premium. The insurer shall retain a copy of each written manifestation for a period of at least one year from the expiration date of any policy that is not renewed;

2. If the named insured, or his duly constituted attorney-in-fact, has notified the insurer or its agent orally, or in writing, if the insurer requires such notification to be in writing, that he wishes the policy to be canceled or that he does not wish the policy to be renewed, or if prior to the date of expiration he fails to accept the offer of the insurer to renew the policy;

3. To any motor vehicle insurance policy which has been in effect less than 60 days when the termination notice is mailed or delivered to the insured, unless it is a renewal policy; or

4. If an affiliated insurer has manifested its willingness to provide coverage at a lower premium than would have been charged for the same exposures on the expiring policy. The affiliated insurer shall manifest its willingness
to provide coverage by issuing a policy with the types and limits of coverage at least equal to those contained in the expiring policy unless the named insured has requested a change in coverage or limits. When such offer is made by an affiliated insurer, an offer of renewal shall not be required of the insurer of the expiring policy, and the policy issued by the affiliated insurer shall be deemed to be a renewal policy.

G. There shall be no liability on the part of and no cause of action of any nature shall arise against the Commissioner or his subordinates; any insurer, its authorized representatives, its agents, or its employees; or any person furnishing to the insurer information as to reasons for cancellation or refusal to renew, for any statement made by any of them in complying with this section or for providing information pertaining to the cancellation or refusal to renew. For the purposes of this section, no insurer shall be required to furnish a notice of cancellation or refusal to renew to anyone other than the named insured, any person designated by the named insured, or any other person to whom such notice is required to be given by the terms of the policy and the Commissioner.

H. Within 15 days of receipt of the notice of cancellation or refusal to renew, any insured or his attorney shall be entitled to request in writing to the Commissioner that he review the action of the insurer in canceling or refusing to renew the policy of the insured. Upon receipt of the request, the Commissioner shall promptly begin a review to determine whether the insurer's cancellation or refusal to renew complies with the requirements of this section and of § 38.2-2208 if the notice was sent by mail or delivered electronically. The policy shall remain in full force and effect during the pendency of the review by the Commissioner except where the cancellation or refusal to renew is for the reason set forth in subdivision D 2, in which case the policy shall terminate as of the effective date stated in the notice. Where the Commissioner finds from the review that the cancellation or refusal to renew has not complied with the requirements of this section or of § 38.2-2208, he shall immediately notify the insurer, the insured and any other person to whom such notice was required to be given by the terms of the policy that the cancellation or refusal to renew is not effective. Nothing in this section authorizes the Commissioner to substitute his judgment as to underwriting for that of the insurer. Where the Commissioner finds in favor of the insured, the Commission in its discretion may award the insured reasonable attorneys' fees.

I. Each insurer shall maintain for at least one year, records of cancellation and refusal to renew and copies of every notice or statement referred to in subsection E that it sends to any of its insureds.

J. The provisions of this section shall not apply to any insurer that limits the issuance of policies of motor vehicle liability insurance to one class or group of persons engaged in any one particular profession, trade, occupation, or business. Nothing in this section requires an insurer to renew a policy of motor vehicle insurance if the insured does not conform to the occupational or membership requirements of an insurer who limits its writings to an occupation or membership of an organization. No insurer is required to renew a policy if the insured becomes a nonresident of Virginia.

K. Notwithstanding any other provision of this section, a motor vehicle insurance policy with a policy period or term of five months or less may expire at its expiration date when the insurer has manifested in writing its willingness to renew the policy for at least 30 days and has mailed or delivered the written manifestation to the insured at least 15 days before the expiration date of the policy. The written manifestation shall include the name of the proposed insurer, the expiration date of the policy, the type of insurance coverage, and the estimated renewal premium. The insurer shall retain a copy of the written manifestation for at least one year from the expiration date of any policy that is not renewed.
§ 46.2-328.1. Licenses, permits, and special identification cards to be issued only to United States citizens, legal permanent resident aliens, or holders of valid unexpired nonimmigrant visas; exceptions; renewal, duplication, or reissuance.

A. Notwithstanding any other provision of this title, except as provided in subsection G of § 46.2-345, the Department shall not issue an original license, permit, or special identification card to any applicant who has not presented to the Department, with the application, valid documentary evidence that the applicant is either (i) a citizen of the United States, (ii) a legal permanent resident of the United States, or (iii) a conditional resident alien of the United States, (iv) an approved applicant for asylum in the United States, (v) an entrant into the United States in refugee status, or (vi) a citizen of the Federated States of Micronesia, the Republic of Palau, or the Republic of the Marshall Islands, collectively known as the Freely Associated States.

B. Notwithstanding the provisions of subsection A and the provisions of §§ 46.2-330 and 46.2-345, an applicant who presents in person valid documentary evidence of (i) a valid, unexpired nonimmigrant visa or nonimmigrant visa status for entry into the United States, (ii) a pending or approved application for asylum in the United States, (iii) entry into the United States in refugee status, (iv) a pending or approved application for temporary protected status in the United States, (v) approved deferred action status, or (vi) a pending application for adjustment of status to legal permanent resident status or conditional resident status, that a federal court or federal agency having jurisdiction over immigration has authorized the applicant to be in the United States or an applicant for a REAL ID credential who provides evidence of temporary lawful status in the United States as required pursuant to the REAL ID Act of 2005, as amended, and its implementing regulations may be issued a temporary limited-duration license, permit, or special identification card. Such temporary limited-duration license, permit, or special identification card shall be valid only during the period of time of the applicant's authorized stay in the United States or if there is no definite end to the period of authorized stay a period of one year. No license, permit, or special identification card shall be issued if an applicant's authorized stay in the United States is less than 30 days from the date of application. Any temporary limited-duration license, permit, or special identification card issued pursuant to this subsection shall clearly indicate that it is temporary valid for a limited period and shall state the date that it expires. Such a temporary limited-duration license, permit, or special identification card may be renewed only upon presentation of valid documentary evidence that the status by which the applicant qualified for the temporary limited-duration license, permit, or special identification has been extended by the United States Immigration and Naturalization Service or the Bureau of Citizenship and Immigration Services of the Department of Homeland Security, a federal court or federal agency having jurisdiction over immigration.

C. Any license, permit, or special identification card for which an application has been made for renewal, duplication, or reissuance shall be presumed to have been issued in accordance with the provisions of subsection A, provided that, at the time the application is made, (i) the license, permit, or special identification card has not expired or been cancelled, suspended, or revoked or (ii) the license, permit, or special identification card has been canceled or suspended as a result of the applicant having been placed under medical review by the Department pursuant to § 46.2-322. The requirements of subsection A shall apply, however, to a renewal, duplication, or reissuance if the Department is notified by a local, state, or federal government agency that the individual seeking such renewal, duplication, or reissuance is neither a citizen of the United States nor legally present in the United States.

D. The Department shall cancel any license, permit, or special identification card that it has issued to an individual if it is notified by a federal government agency that the individual is neither a citizen of the United States nor legally present in the United States.
E. For any applicant who presents a document pursuant to this section proving legal presence other than
citizenship, the Department shall record and provide to the State Board of Elections monthly the applicant's
document number, if any, issued by an agency or court of the United States government.

§ 46.2-328.3. Driver privilege cards and permits.

A. Upon application of any person who does not meet the requirements for a driver’s license or permit under
subsection A or B of § 46.2-328.1, the Department may issue to the applicant a driver privilege card or permit if
the Department determines that the applicant (i) has reported income and deductions from Virginia sources, as
defined in § 58.1-302, or been claimed as a dependent, on an individual income tax return filed with the
Commonwealth in the preceding 12 months and (ii) is not in violation of the insurance requirements set forth in
Article 8 (§ 46.2-705 et seq.) of Chapter 6.

B. Driver privilege cards and permits shall confer the same privileges and shall be subject to the same
provisions of this title as driver’s licenses and permits issued under this chapter, unless otherwise provided, and
shall be subject to the following conditions and exceptions:

1. The front of a driver privilege card or permit shall be identical in appearance to a driver’s license or permit
that is not a REAL ID credential and the back of the card or permit shall be identical in appearance to the
restriction on the back of a limited-duration license, permit, or special identification card;

2. An applicant for a driver privilege card or permit shall not be eligible for a waiver of any part of the driver
examination provided under § 46.2-325;

3. An applicant for a driver privilege card or permit shall not be required to present proof of legal presence in
the United States;

4. A driver privilege card or permit shall expire on the applicant's second birthday following the date of
issuance;

5. The fee for an original driver privilege card or permit shall be $50. The Department may issue, upon
application by the holder of a valid, unexpired card or permit issued under this section, and upon payment of a
fee of $50, another driver privilege card or permit that shall be valid for a period of two years from the date of
issuance. The amount paid by an applicant for a driver privilege card or other document issued pursuant to this
chapter shall be considered privileged information for the purposes of § 46.2-208. No applicant shall be
required to provide proof of compliance with clauses (i) and (ii) of subsection A for a reissued, renewed, or
duplicate card or permit; and

6. Any information collected pursuant to this section that is not otherwise collected by the Department or
required for the issuance of any other driving credential issued pursuant to the provisions of this chapter and
any information regarding restrictions in the Department's records related to the issuance of a credential issued
pursuant to this section shall be considered privileged. Notwithstanding the provisions of § 46.2-208, such
information shall not be released except upon request by the subject of the information, the parent of a minor
who is the subject of the information, the guardian of the subject of the information, or the authorized
representative of the subject of the information, or pursuant to a court order.
The Department shall not release the following information relating to the issuance of a driver privilege card or permit, except upon request by the subject of the information, the parent of a minor who is the subject of the information, the guardian of the subject of the information, or the authorized representative of the subject of the information, or pursuant to a court order, (i) proof documents submitted for the purpose of obtaining a driver privilege card or permit, (ii) the information in the Department's records indicating the type of proof documentation that was provided, or (iii) applications.

The Department shall release to any federal, state, or local governmental entity, local government group self-insurance pool, law-enforcement officer, attorney for the Commonwealth, or court, or the authorized agent of any of the foregoing, information related to the issuance of a driver privilege card or permit, the release of which is not otherwise prohibited by this section, that is required for a requester to carry out the requester's official functions if the requester provides the individual's name and other sufficient identifying information contained on the individual's record. If the requester enters into an agreement with the Department, such agreement shall be in a manner prescribed by the Department and such agreement shall contain the legal authority that authorizes the performance of the requester's official functions and a description of how such information will be used to carry out such official functions. If the Commissioner determines that sufficient authority has not been provided by the requester to show that the purpose for which such information shall be used is one of the requester's official functions, the Commissioner shall refuse to enter into any agreement. If the requester submits a request for information in accordance with this subsection without an existing agreement to receive the information, such request shall be in a manner prescribed by the Department and such request shall contain the legal authority that authorizes the performance of the requester's official functions and a description of how such information will be used to carry out such official functions. If the Commissioner determines that sufficient authority has not been provided by the requester to show that the purpose for which such information shall be used is one of the requester's official functions, the Commissioner shall deny such request.

§ 46.2-330. Expiration and renewal of licenses; examinations required.

A. Every driver's license shall expire on the applicant's birthday at the end of the period of years for which a driver's license has been issued. At no time shall any driver's license be issued for more than eight years or less than five years, unless otherwise provided by law. Thereafter the driver's license shall be renewed on or before the birthday of the licensee and shall be valid for a period not to exceed eight years except as otherwise provided by law. Any driver's license issued to a person age 75 or older shall be issued for a period not to exceed five years. Notwithstanding these limitations, the Commissioner may extend the validity period of an expiring license if (i) the Department is unable to process an application for renewal due to circumstances beyond its control, (ii) the extension has been authorized under a directive from the Governor, and (iii) the license was not issued as a temporary limited-duration driver's license under the provisions of subsection B of § 46.2-328.1. However, in no event shall the validity period be extended more than 90 days per occurrence of such conditions. In determining the number of years for which a driver's license shall be renewed, the Commissioner shall take into consideration the examinations, conditions, requirements, and other criteria provided under this title that relate to the issuance of a license to operate a vehicle. Any driver's license issued to a person required to register pursuant to Chapter 9 (§ 9.1-900 et seq.) of Title 9.1 shall expire on the applicant's birthday in years which the applicant attains an age equally divisible by five.

B. Within one year prior to the date shown on the driver's license as the date of expiration, the Department shall send notice, to the holder thereof, at the address shown on the records of the Department in its driver's license file, that his license will expire on a date specified therein, whether he must be reexamined, and when he may be reexamined. Nonreceipt of the notice shall not extend the period of validity of the driver's license beyond its
expiration date. The license holder may request the Department to send such renewal notice to an email or other electronic address, upon provision of such address to the Department.

Any driver's license may be renewed by application after the applicant has taken and successfully completed those parts of the examination provided for in §§ 46.2-311, 46.2-325, and the Virginia Commercial Driver's License Act (§ 46.2-341.1 et seq.), including vision and written tests, other than the parts of the examination requiring the applicant to drive a motor vehicle. All drivers applying in person for renewal of a license shall take and successfully complete the examination each renewal year. Every applicant for a renewal shall appear in person before the Department, unless specifically notified by the Department that renewal may be accomplished in another manner as provided in the notice. Applicants who are required to appear in person before the Department to apply for a renewal may also be required to present proof of identity, legal presence, residency, and social security number or non-work authorized status.

C. Notwithstanding any other provision of this section, the Commissioner, in his discretion, may require any applicant for renewal to be fully examined as provided in §§ 46.2-311 and 46.2-325 and the Virginia Commercial Driver's License Act (§ 46.2-341.1 et seq.). Furthermore, if the applicant is less than 75 years old, the Commissioner may waive the vision examination for any applicant for renewal of a driver's license that is not a commercial driver's license and the requirement for the taking of the written test as provided in subsection B of this section, § 46.2-325, and the Virginia Commercial Driver's License Act (§ 46.2-341.1 et seq.). However, in no case shall there be any waiver of the vision examination for applicants for renewal of a commercial driver's license or of the knowledge test required by the Virginia Commercial Driver's License Act for the hazardous materials endorsement on a commercial driver's license. No driver's license or learner's permit issued to any person who is 75 years old or older shall be renewed unless the applicant for renewal appears in person and either (i) passes a vision examination or (ii) presents a report of a vision examination, made within 90 days prior thereto by an ophthalmologist or optometrist, indicating that the applicant's vision meets or exceeds the standards contained in § 46.2-311.

D. Every applicant for renewal of a driver's license, whether renewal shall or shall not be dependent on any examination of the applicant, shall appear in person before the Department to apply for renewal, unless specifically notified by the Department that renewal may be accomplished in another manner as provided in the notice.

E. This section shall not modify the provisions of § 46.2-221.2.

F. 1. The Department shall electronically transmit application information, including a photograph, to the Department of State Police, in a format approved by the State Police, for comparison with information contained in the Virginia Criminal Information Network and National Crime Information Center Convicted Sexual Offender Registry files, at the time of the renewal of a driver's license. Whenever it appears from the records of the State Police that a person has failed to comply with the duty to register or reregister pursuant to Chapter 9 (§ 9.1-900 et seq.) of Title 9.1, the State Police shall promptly investigate and, if there is probable cause to believe a violation has occurred, obtain a warrant or assist in obtaining an indictment charging a violation of § 18.2-472.1 in the jurisdiction in which the person last registered or reregistered or in the jurisdiction where the person made application for licensure. The Department of State Police shall electronically transmit to the Department, in a format approved by the Department, for each person required to register pursuant to Chapter 9 of Title 9.1, registry information consisting of the person's name, all aliases that he has used or under which he may have been known, his date of birth, and his social security number as set out in § 9.1-903.
2. For each person required to register pursuant to Chapter 9 of Title 9.1, the Department may not waive the requirement that each such person shall appear for each renewal or the requirement to obtain a photograph in accordance with subsection C of § 46.2-323.

§ 46.2-332. Fees.

On and after January 1, 1990, the fee for each driver's license other than a commercial driver's license shall be $2.40 per year. This fee shall not apply to driver privilege cards or permits issued under § 46.2-328.3. If the license is a commercial driver's license or seasonal restricted commercial driver's license, the fee shall be $6 per year. Persons 21 years old or older may be issued a scenic driver's license, learner's permit, or commercial driver's license for an additional fee of $5. For any one or more driver's license endorsements or classifications, except a motorcycle classification, there shall be an additional fee of $1 per year; for a motorcycle classification, there shall be an additional fee of $2 per year. For any and all driver's license classifications, there shall be an additional fee of $1 per year. For any revalidation of a seasonal restricted commercial driver's license, the fee shall be $5. A fee of $10 shall be charged to extend the validity period of a driver's license pursuant to subsection B of § 46.2-221.2.

In addition to any other fee imposed and collected by the Department, the Department shall impose and collect a service charge of $5 upon each person who carries out the renewal of a driver's license or special identification card in any of the Department's Customer Service Centers if such renewal can be conducted by mail or telephone or by using an electronic medium in a format prescribed by the Commissioner. Such service charge shall not apply if, concurrently with the renewal of the driver's license or special identification card, the person undertakes another transaction at a Customer Service Center that cannot be conducted by mail or telephone or by using an electronic medium in a format prescribed by the Commissioner. Such service charge shall be paid by the Commissioner into the state treasury and shall be set aside as a special fund to be used to meet the expenses of the Department.

A reexamination fee of $2 shall be charged for each administration of the knowledge portion of the driver's license examination taken by an applicant who is 18 years of age or older if taken more than once within a 15-day period. The reexamination fee shall be charged each time the examination is administered until the applicant successfully completes the examination, if taken prior to the fifteenth day.

An applicant who is less than 18 years of age who does not successfully complete the knowledge portion of the driver's license examination shall not be permitted to take the knowledge portion more than once in 15 days.

A fee of $50 shall be charged each time an applicant for a commercial driver's license fails to keep a scheduled skills test appointment, unless such applicant cancels his appointment with the assigned driver's license examiner at least 24 hours in advance of the scheduled appointment. The Commissioner may, on a case-by-case basis, waive such fee for good cause shown. All such fees shall be paid by the Commissioner into the state treasury and set aside as a special fund to be used to meet the necessary expenses incurred by the Department.

If the applicant for a driver's license is an employee of the Commonwealth, or of any county, city, or town who drives a motorcycle or a commercial motor vehicle solely in the line of his duty, he shall be exempt from the additional fee otherwise assessable for a motorcycle classification or a commercial motor vehicle endorsement. The Commissioner may prescribe the forms as may be requisite for completion by persons claiming exemption from additional fees imposed by this section.
No additional fee above $2.40 per year shall be assessed for the driver's license or commercial driver's license required for the operation of a school bus.

Excluding the $2 reexamination fee, $1.50 of all fees collected for each original or renewal driver's license, other than a driver privilege card issued under § 46.2-328.3, shall be paid into the driver education fund of the state treasury and expended as provided by law. Unexpended funds from the driver education fund shall be retained in the fund and be available for expenditure in ensuing years as provided therein.

All fees for motorcycle classifications shall be distributed as provided in § 46.2-1191.

This section shall supersede conflicting provisions of this chapter.

§ 46.2-333.1. Surcharges on certain fees of Department; disposition of proceeds.

Notwithstanding any contrary provision of this chapter, there are hereby imposed, in addition to other fees imposed by this chapter, the following surcharges in the following amounts:

1. For the issuance of any driver's license other than a commercial driver's license, or a driver privilege card issued under § 46.2-328.3, $1.60 per year of validity of the license;

2. For the issuance of any commercial driver's license, $1 per year of validity of the license;

3. For the reissuance or replacement of any driver's license, $5; and

4. For the reinstatement of any driver's license, $15.

All surcharges collected by the Department under this section shall be paid into the state treasury and shall be set aside as a special fund to be used to support the operation and activities of the Department's customer service centers.

§ 46.2-335. Learner's permits; fees; certification required.

A. The Department, on receiving from any Virginia resident over the age of 15 years and six months an application for a learner's permit or motorcycle learner's permit, may, subject to the applicant's satisfactory documentation of meeting the requirements of this chapter and successful completion of the written or automated knowledge and vision examinations and, in the case of a motorcycle learner's permit applicant, the automated motorcycle test, issue a permit entitling the applicant, while having the permit in his immediate possession, to drive a motor vehicle or, if the application is made for a motorcycle learner's permit, a motorcycle, on the highways, when accompanied by any licensed driver 21 years of age or older or by his parent or legal guardian, or by a brother, sister, half-brother, half-sister, step-brother, or step-sister 18 years of age or older. The accompanying person shall be (i) alert, able to assist the driver, and actually occupying a seat beside the driver or, for motorcycle instruction, providing immediate supervision from a separate accompanying motor vehicle and (ii) lawfully permitted to operate the motor vehicle or accompanying motorcycle at that time.

The Department shall not, however, issue a learner's permit or motorcycle learner's permit to any minor applicant required to provide evidence of compliance with the compulsory school attendance law set forth in Article 1 (§ 22.1-254 et seq.) of Chapter 14 of Title 22.1, unless such applicant is in good academic standing or, if not in
such standing or submitting evidence thereof, whose parent or guardian, having custody of such minor, provides written authorization for the minor to obtain a learner's permit or motorcycle learner's permit, which written authorization shall be obtained on forms provided by the Department and indicating the Commonwealth's interest in the good academic standing and regular school attendance of such minors. Any minor providing proper evidence of the solemnization of his marriage or a certified copy of a court order of emancipation shall not be required to provide the certification of good academic standing or any written authorization from his parent or guardian to obtain a learner's permit or motorcycle learner's permit.

Such permit, except a motorcycle learner's permit, shall be valid until the holder thereof either is issued a driver's license as provided for in this chapter or no longer meets the qualifications for issuance of a learner's permit as provided in this section. Motorcycle learner's permits shall be valid for 12 months. When a motorcycle learner's permit expires, the permittee may, upon submission of an application, payment of the application fee, and successful completion of the examinations, be issued another motorcycle learner's permit valid for 12 months.

Any person 25 years of age or older who is eligible to receive an operator's license in Virginia, but who is required, pursuant to § 46.2-324.1, to be issued a learner's permit for 60 days prior to his first behind-the-wheel exam, may be issued such learner's permit even though restrictions on his driving privilege have been ordered by a court. Any such learner's permit shall be subject to the restrictions ordered by the court.

B. No driver's license shall be issued to any such person who is less than 18 years old unless, while holding a learner's permit, he has driven a motor vehicle for at least 45 hours, at least 15 of which were after sunset, as certified by his parent, foster parent, or legal guardian unless the person is married or otherwise emancipated. Such certification shall be on a form provided by the Commissioner and shall contain the following statement:

"It is illegal for anyone to give false information in connection with obtaining a driver's license. This certification is considered part of the driver's license application, and anyone who certifies to a false statement may be prosecuted. I certify that the statements made and the information submitted by me regarding this certification are true and correct."

Such form shall also include the driver's license or Department of Motor Vehicles-issued identification card number of the person making the certification.

C. No learner's permit shall authorize its holder to operate a motor vehicle with more than one passenger who is less than 21 years old, except when participating in a driver education program approved by the Department of Education or a course offered by a driver training school licensed by the Department. This passenger limitation, however, shall not apply to the members of the driver's family or household as defined in subsection B of § 46.2-334.01.

D. No learner's permit shall authorize its holder to operate a motor vehicle between midnight and four o'clock a.m.

E. Except in a driver emergency or when the vehicle is lawfully parked or stopped, no holder of a learner's permit shall operate a motor vehicle on the highways of the Commonwealth while using any cellular telephone or any other wireless telecommunications device, regardless of whether or not such device is handheld. No citation for a violation of this subsection shall be issued unless the officer issuing such citation has cause to stop or arrest the driver of such motor vehicle for the violation of some other provision of this Code or local ordinance relating to the operation, ownership, or maintenance of a motor vehicle or any criminal statute.
F. A violation of subsection C, D, or E shall not constitute negligence, be considered in mitigation of damages of whatever nature, be admissible in evidence or be the subject of comment by counsel in any action for the recovery of damages arising out of the operation, ownership, or maintenance of a motor vehicle, nor shall anything in this subsection change any existing law, rule, or procedure pertaining to any such civil action.

G. The provisions of §§ 46.2-323 and 46.2-334 relating to evidence and certification of Virginia residence and, in the case of persons of school age, compliance with the compulsory school attendance law shall apply, mutatis mutandis, to applications for learner's permits and motorcycle learner's permits issued under this section.

H. For persons qualifying for a driver's license through driver education courses approved by the Department of Education or courses offered by driver training schools licensed by the Department, the application for the learner's permit shall be used as the application for the driver's license.

I. The Department shall charge a fee of $3 for each learner's permit and motorcycle learner's permit issued under this section. Fees for issuance of learner's permits shall be paid into the driver education fund of the state treasury; fees for issuance of motorcycle learner's permits, other than permits issued under § 46.2-328.3, shall be paid into the state treasury and credited to the Motorcycle Rider Safety Training Program Fund created pursuant to § 46.2-1191. It shall be unlawful for any person, after having received a learner's permit, to drive a motor vehicle without being accompanied by a licensed driver as provided in the foregoing provisions of this section; however, a learner's permit other than a motorcycle learner's permit, accompanied by documentation verifying that the driver is at least 16 years and three months old and has successfully completed an approved driver's education course, signed by the minor's parent, guardian, legal custodian or other person standing in loco parentis, shall constitute a temporary driver's license for the purpose of driving unaccompanied by a licensed driver 18 years of age or older, if all other requirements of this chapter have been met. Such temporary driver's license shall only be valid until the driver has received his permanent license pursuant to § 46.2-336.

J. Nothing in this section shall be construed to permit the issuance of a learner's permit entitling a person to drive a commercial motor vehicle, except as provided by the Virginia Commercial Driver's License Act (§ 46.2-341.1 et seq.).

K. The following limitations shall apply to operation of motorcycles by all persons holding motorcycle learner's permits:

1. The operator shall wear an approved safety helmet as provided in § 46.2-910.

2. Operation shall be under the immediate supervision of a person licensed to operate a motorcycle who is 21 years of age or older.

3. No person other than the operator shall occupy the motorcycle.

L. Any violation of this section shall be punishable as a Class 2 misdemeanor.

§ 46.2-343. Duplicate driver's license, reissued driver's licenses, learner's permit; fees.

If a driver's license or learner's permit issued under the provisions of this chapter is lost, stolen, or destroyed, the person to whom it was issued may obtain a duplicate or substitute thereof on furnishing proof satisfactory to the Department that his license or permit has been lost, stolen, or destroyed, or that there are good reasons why a
duplicate should be issued. Every applicant for a duplicate or reissued driver's license shall appear in person before the Department to apply, unless permitted by the Department to apply for duplicate or reissue in another manner. Applicants who are required to apply in person may be required to present proof of identity, legal presence, residency, and social security number or non-work authorized status.

There shall be a fee of five dollars $5 for each duplicate license and two dollars $2 for each duplicate learner's permit. An additional fee of five dollars shall be charged to add or change the scene on a duplicate license or duplicate learner's permit.

There shall be a fee of five dollars $5 for reissuance of any driver's license upon the termination of driving restrictions imposed upon the licensee by the Department or a court. An additional fee of five dollars shall be charged to add or change the scene on a license upon reissuance.

A. Except in accordance with a proper judicial order or as otherwise provided by law, the Tax Commissioner or agent, clerk, commissioner of the revenue, treasurer, or any other state or local tax or revenue officer or employee, or any person to whom tax information is divulged pursuant to this section or § 58.1-512 or 58.1-2712.2, or any former officer or employee of any of the aforementioned offices shall not divulge any information acquired by him in the performance of his duties with respect to the transactions, property, including personal property, income or business of any person, firm or corporation. Such prohibition specifically includes any copy of a federal return or federal return information required by Virginia law to be attached to or included in the Virginia return. This prohibition shall apply to any reports, returns, financial documents or other information filed with the Attorney General pursuant to the provisions of Article 3 (§ 3.2-4204 et seq.) of Chapter 42 of Title 3.2. Any person violating the provisions of this section is guilty of a Class 1 misdemeanor. The provisions of this subsection shall not be applicable, however, to:

1. Matters required by law to be entered on any public assessment roll or book;

2. Acts performed or words spoken, published, or shared with another agency or subdivision of the Commonwealth in the line of duty under state law;

3. Inquiries and investigations to obtain information as to the process of real estate assessments by a duly constituted committee of the General Assembly, or when such inquiry or investigation is relevant to its study, provided that any such information obtained shall be privileged;

4. The sales price, date of construction, physical dimensions or characteristics of real property, or any information required for building permits;

5. Copies of or information contained in an estate's probate tax return, filed with the clerk of court pursuant to § 58.1-1714, when requested by a beneficiary of the estate or an heir at law of the decedent or by the commissioner of accounts making a settlement of accounts filed in such estate;

6. Information regarding nonprofit entities exempt from sales and use tax under § 58.1-609.11, when requested by the General Assembly or any duly constituted committee of the General Assembly;
7. Reports or information filed with the Attorney General by a Stamping Agent pursuant to the provisions of Article 3 (§ 3.2-4204 et seq.), when such reports or information are provided by the Attorney General to a tobacco products manufacturer who is required to establish a qualified escrow fund pursuant to § 3.2-4201 and are limited to the brand families of that manufacturer as listed in the Tobacco Directory established pursuant to § 3.2-4206 and are limited to the current or previous two calendar years or in any year in which the Attorney General receives Stamping Agent information that potentially alters the required escrow deposit of the manufacturer. The information shall only be provided in the following manner: the manufacturer may make a written request, on a quarterly or yearly basis or when the manufacturer is notified by the Attorney General of a potential change in the amount of a required escrow deposit, to the Attorney General for a list of the Stamping Agents who reported stamping or selling its products and the amount reported. The Attorney General shall provide the list within 15 days of receipt of the request. If the manufacturer wishes to obtain actual copies of the reports the Stamping Agents filed with the Attorney General, it must first request them from the Stamping Agents pursuant to subsection C of § 3.2-4209. If the manufacturer does not receive the reports pursuant to subsection C of § 3.2-4209, the manufacturer may make a written request to the Attorney General, including a copy of the prior written request to the Stamping Agent and any response received, for copies of any reports not received. The Attorney General shall provide copies of the reports within 45 days of receipt of the request.

B. 1. Nothing contained in this section shall be construed to prohibit the publication of statistics so classified as to prevent the identification of particular reports or returns and the items thereof or the publication of delinquent lists showing the names of taxpayers who are currently delinquent, together with any relevant information which in the opinion of the Department may assist in the collection of such delinquent taxes. Notwithstanding any other provision of this section or other law, the Department, upon request by the General Assembly or any duly constituted committee of the General Assembly, shall disclose the total aggregate amount of an income tax deduction or credit taken by all taxpayers, regardless of (i) how few taxpayers took the deduction or credit or (ii) any other circumstances. Additionally, notwithstanding any other provision of law, the commissioner of revenue is authorized to provide, upon written request stating the reason for such request, the Tax Commissioner with information obtained from local tax returns and other information pertaining to the income, sales and property of any person, firm or corporation licensed to do business in that locality.

2. Additionally, notwithstanding any other provision of law, the Department is hereby authorized to make available the names and certificate of registration numbers of dealers who are currently registered for retail sales and use tax.

3. This section shall not prohibit the Department from disclosing information to nongovernmental entities with which the Department has entered into a contract to provide services that assist it in the administration of refund processing or other services related to its administration of taxes.

4. This section shall not prohibit the Department from disclosing information to taxpayers regarding whether the taxpayer's employer or another person or entity required to withhold on behalf of such taxpayer submitted withholding records to the Department for a specific taxable year as required pursuant to subdivision C 1 of § 58.1-478.
5. This section shall not prohibit the commissioner of the revenue, treasurer, director of finance, or other similar local official who collects or administers taxes for a county, city, or town from disclosing information to nongovernmental entities with which the locality has entered into a contract to provide services that assist it in the administration of refund processing or other non-audit services related to its administration of taxes. The commissioner of the revenue, treasurer, director of finance, or other similar local official who collects or administers taxes for a county, city, or town shall not disclose information to such entity unless he has obtained a written acknowledgement by such entity that the confidentiality and nondisclosure obligations of and penalties set forth in subsection A apply to such entity and that such entity agrees to abide by such obligations.

The Commissioner may initiate collection procedures pursuant to this chapter, Chapter 11 (§ 16.1-226 et seq.) of Title 16.1 or Title 20. § 63.2-1941. Additional enforcement remedies.

In addition to its other enforcement remedies, the Division of Child Support Enforcement is authorized to:

Pursuant to § 30-19.1:4 of the Code of Virginia, the estimated amount of the necessary appropriation cannot be determined for periods of commitment to the custody of the Department of Juvenile Justice.

The bill provides that if a person is ineligible to receive a restricted license, a court may instead authorize such person to use a remote alcohol monitoring device, refrain from alcohol consumption, and participate in an alcohol safety action program; such provisions of the bill shall become effective on July 1, 2021. Makes several changes related to electric personal delivery devices, including changing the term used to refer to such devices to "personal delivery devices" and changing the weight limit of such devices from 50 to 500 pounds. Repeals the requirement that the driver's license of a person convicted of any violation of the law who fails or refuses to provide for immediate payment of fines or costs be suspended. The bill also removes a provision allowing the court to require a defendant to present a summary prepared by the Department of Motor Vehicles of the other courts in which the defendant also owes fines and costs. The bill requires the Commissioner of the Department of Motor Vehicles to return or reinstate any person's driver's license that was suspended prior to July 1, 2019, solely for nonpayment of fines or costs. Such person does not have to pay a reinstatement fee. This bill incorporates HB 17 and is identical to SB 1.

HB991 – § 46.2-1102 – Firefighting equipment; weight limitation on interstate. Requires firefighting equipment to comply with existing weight limitations for emergency vehicles on interstate highways. Current law exempts firefighting equipment from all size and weight limitations. The bill exempts emergency vehicles registered to a federal, state, or local agency or a fire company from any fee typically charged for the issuance of an overweight permit for such vehicle.

HB1126 – §§ 46.2-1200 and 46.2-1209 – Abandoned, unattended, or immobile vehicles; minimum weight. Limits the current prohibition on and remedies for abandoned, unattended, or immobile vehicles to vehicles that weigh at least 75 pounds.

Repeals the provision allowing a court to enter an order of interdiction prohibiting the sale of alcoholic beverages to any person who has shown himself to be a habitual drunkard. The bill also repeals the provision that disqualifies habitual drunkards from being able to obtain a concealed handgun permit.

HB1348 and SB328 – § 46.2-1148.1 – Overweight permits; forest products. Clarifies that the definition of forest products for the purpose of qualifying for an overweight permit for hauling forest products includes wood pellets. This bill is identical to SB 328.

HB34 – §§ 18.2-268.3 and 46.2-391.2 – Refusal of tests; restricted license. Allows a person convicted of a first offense of unreasonable refusal to have samples of his breath or blood taken for chemical tests to determine the alcohol content of his blood to petition the court 30 days after conviction for a restricted driver's license. The court may, for good cause shown, grant such restricted license for the same purposes as allowed for restricted licenses granted after conviction of driving under the influence if the person installs an ignition interlock system on each motor vehicle owned by or registered to the person and enters into and successfully completes an alcohol safety action program. The bill provides that such restricted license shall not permit any person to operate a commercial motor vehicle.
HB172 – § 17.1-279.1 – Virginia State Police Electronic Summons System Fund. Creates the Virginia State Police Electronic Summons System Fund, which is funded by a $5 fee required by the bill to be assessed as court costs in each criminal or traffic case in which the Virginia State Police issued the summons, ticket, or citation. The bill directs that the Fund be used for the purposes of funding software, hardware, and associated equipment costs for the implementation and maintenance of an electronic summons system. Under current law, localities may charge a fee of up to $5 for each criminal or traffic case to be used for such purposes.

HB445 – §§ 46.2-1004, 46.2-1012, 46.2-1020, and 46.2-2099.50 – Light units; candlepower to lumens. States the limits on brightness for certain lights in vehicles in lumens. Current law provides such restrictions in candlepower only.

SB282 – § 18.2-270.1 – Ignition interlock for first offense driving under the influence of drugs. Provides that a court of proper jurisdiction may, as a condition of a restricted license, prohibit an offender from operating a motor vehicle that is not equipped with a functioning, certified ignition interlock system for a first offense of driving under the influence of drugs. Under current law, such prohibition is required to be ordered as a condition of a restricted license.

SB289 – § 46.2-342 – Driver's license designation; traumatic brain injury. Requires the Department of Motor Vehicles, upon the request of the applicant and presentation of a form completed by a licensed physician confirming the applicant's condition, to designate a traumatic brain injury on the applicant's driver's license.

SB525 – §§ 46.2-1106 and 46.2-1107 of the Code of Virginia are repealed – Width requirements for passenger buses. Repeals provisions whereby the Commissioner of Highways and the Commonwealth Transportation Board may permit certain counties to operate passenger buses wider than 96 inches but no wider than 102 inches. Existing law prohibits vehicles other than school buses from exceeding 102 inches in total outside width and prohibits school buses from exceeding 100 inches in total outside width. This bill is a recommendation of the Virginia Code Commission.
Possession and consumption of marijuana; penalty. Decriminalizes simple marijuana possession and provides a civil penalty of no more than $25. Current law imposes a maximum fine of $500 and a maximum 30-day jail sentence for a first offense, and subsequent offenses are a Class 1 misdemeanor. The bill provides that any violation of simple possession of marijuana shall be charged by a summons in form the same as the uniform summons for motor vehicle law violations and that no court costs shall be assessed for such violations. The bill also provides that a person's criminal history record information shall not include records of any charges or judgments for such violations and records of such charges or judgments shall not be reported to the Central Criminal Records Exchange. However, the bill states that if a violation occurs while an individual is operating a commercial motor vehicle, such violation shall be reported to the Department of Motor Vehicles and shall be included on such individual's driving record. Also, the bill states that the procedure for appeal and trial of any violation of simple possession of marijuana shall be the same as provided by law for misdemeanors. The bill also provides that if requested by either party on appeal to the circuit court, trial by jury shall be provided and the Commonwealth shall be required to prove its case beyond a reasonable doubt. Additionally, the bill provides that the suspended sentence/substance abuse screening provisions apply only to criminal violations. The bill defines "marijuana" to include hashish oil and creates a rebuttable presumption that a person who possesses no more than one ounce of marijuana possesses it for personal use. The bill also (i) makes records relating to the arrest, criminal charge, or conviction of possession of marijuana not open to public inspection and disclosure, except in certain circumstances; (ii) prohibits employers and educational institutions from requiring an applicant for employment or admission to disclose information related to such arrest, criminal charge, or conviction; and (iii) prohibits agencies, officials, and employees of the state and local governments from requiring an applicant for a license, permit, registration, or governmental service to disclose information concerning such arrest, criminal charge, or conviction. Also, the bill allows a person charged with a civil offense who is acquitted, a nolle prosequi is taken, or the charge is otherwise dismissed to file a petition requesting expungement of the police records and court records related to the charge. Finally, the bill requires the Secretaries of Agriculture and Forestry, Finance, Health and Human Resources, and Public Safety and Homeland Security to convene a work group to study the impact on the Commonwealth of legalizing the sale and personal use of marijuana and report the recommendations of the work group to the General Assembly and the Governor by November 30, 2020. This bill incorporates HB 265, HB 301, and HB 481 and is identical to SB 2.

When the court service unit of any court receives a complaint alleging facts which may be sufficient to invoke the jurisdiction of the court pursuant to § 16.1-241, the unit, through an intake officer, may proceed informally to make such adjustment as is practicable without the filing of a petition or may authorize a petition to be filed by any complainant having sufficient knowledge of the matter to establish probable cause for the issuance of the petition.

An intake officer may proceed informally on a complaint alleging a child is in need of services, in need of supervision, or delinquent only if the juvenile (a) is not alleged to have committed a violent juvenile felony or (b) has not previously been proceeded against informally or adjudicated delinquent for an offense that would be a felony if committed by an adult. A petition alleging that a juvenile committed a violent juvenile felony shall be filed with the court. A petition alleging that a juvenile is delinquent for an offense that would be a felony if committed by an adult shall be filed with the court if the juvenile had previously been proceeded against informally by intake or had been adjudicated delinquent for an offense that would be a felony if committed by an adult.

If a juvenile is alleged to be a truant pursuant to a complaint filed in accordance with § 22.1-258 and the attendance officer has provided documentation to the intake officer that the relevant school division has complied with the provisions of § 22.1-258, then the intake officer shall file a petition with the court. The intake officer may defer filing the complaint for 90 days and proceed informally by developing a truancy plan, provided that (1) the juvenile has not previously been proceeded against informally or adjudicated in need of supervision on more than two occasions for failure to comply with compulsory school attendance as provided in § 22.1-254 and (2) the immediately previous informal action or adjudication occurred at least three calendar years prior to the current complaint. The juvenile and his parent or parents, guardian, or other person standing in loco parentis must agree, in writing, for the development of a truancy plan. The truancy plan may include requirements that the juvenile and his parent or parents, guardian, or other person standing in loco parentis participate in such programs, cooperate in such treatment, or be subject to such conditions and limitations as necessary to ensure the juvenile's compliance with compulsory school attendance as provided in § 22.1-254. The intake officer may refer the juvenile to the appropriate public agency for the purpose of developing a truancy plan using an interagency interdisciplinary team approach. The team may include qualified personnel who are reasonably available from the appropriate department of social services, community services board, local school division, court service unit, and other appropriate and available public and private agencies and may be the family assessment and planning team established pursuant to § 2.2-5207. If at the end of the 90-day period the juvenile has not successfully completed the truancy plan or the truancy program, then the intake officer shall file the petition.

Whenever informal action is taken as provided in this subsection on a complaint alleging that a child is in need of services, in need of supervision, or delinquent, the intake officer shall develop a plan for the juvenile, which may include restitution and the performance of community service, based upon community resources and the circumstances which resulted in the complaint, create an official record of the action taken by the intake officer and file such record in the juvenile's case file, and advise the juvenile and the juvenile's parent, guardian, or other person standing in loco parentis and the complainant that any subsequent complaint alleging that the child is in need of supervision or delinquent based upon facts which may be sufficient to invoke the jurisdiction of the court pursuant to § 16.1-241 will result in the filing of a petition with the court.

C. The intake officer shall accept and file a petition in which it is alleged that (i) the custody, visitation, or support of a child is the subject of controversy or requires determination, (ii) a person has deserted, abandoned, or failed to provide support for any person in violation of law, (iii) a child or such child's parent, guardian, legal
custodian, or other person standing in loco parentis is entitled to treatment, rehabilitation, or other services which are required by law, (iv) family abuse has occurred and a protective order is being sought pursuant to § 16.1-253.1, 16.1-253.4, or 16.1-279.1, or (v) an act of violence, force, or threat has occurred, a protective order is being sought pursuant to § 19.2-152.8, 19.2-152.9, or 19.2-152.10, and either the alleged victim or the respondent is a juvenile. If any such complainant does not file a petition, the intake officer may file it. In cases in which a child is alleged to be abused, neglected, in need of services, in need of supervision, or delinquent, if the intake officer believes that probable cause does not exist, or that the authorization of a petition will not be in the best interest of the family or juvenile or that the matter may be effectively dealt with by some agency other than the court, he may refuse to authorize the filing of a petition. The intake officer shall provide to a person seeking a protective order pursuant to § 16.1-253.1, 16.1-253.4, or 16.1-279.1 a written explanation of the conditions, procedures, and time limits applicable to the issuance of protective orders pursuant to § 16.1-253.1, 16.1-253.4, or 16.1-279.1. If the person is seeking a protective order pursuant to § 19.2-152.8, 19.2-152.9, or 19.2-152.10, the intake officer shall provide a written explanation of the conditions, procedures, and time limits applicable to the issuance of protective orders pursuant to § 19.2-152.8, 19.2-152.9, or 19.2-152.10.

D. Prior to the filing of any petition alleging that a child is in need of supervision, the matter shall be reviewed by an intake officer who shall determine whether the petitioner and the child alleged to be in need of supervision have utilized or attempted to utilize treatment and services available in the community and have exhausted all appropriate nonjudicial remedies which are available to them. When the intake officer determines that the parties have not attempted to utilize available treatment or services or have not exhausted all appropriate nonjudicial remedies which are available, he shall refer the petitioner and the child alleged to be in need of supervision to the appropriate agency, treatment facility, or individual to receive treatment or services, and a petition shall not be filed. Only after the intake officer determines that the parties have made a reasonable effort to utilize available community treatment or services may he permit the petition to be filed.

E. If the intake officer refuses to authorize a petition relating to an offense that if committed by an adult would be punishable as a Class 1 misdemeanor or as a felony, the complainant shall be notified in writing at that time of the complainant’s right to apply to a magistrate for a warrant. If a magistrate determines that probable cause exists, he shall issue a warrant returnable to the juvenile and domestic relations district court. The warrant shall be delivered forthwith to the juvenile court, and the intake officer shall accept and file a petition founded upon the warrant. If the court is closed and the magistrate finds that the criteria for detention or shelter care set forth in § 16.1-248.1 have been satisfied, the juvenile may be detained pursuant to the warrant issued in accordance with this subsection. If the intake officer refuses to authorize a petition relating to a child in need of services or in need of supervision, a status offense, or a misdemeanor other than Class 1, his decision is final.

Upon delivery to the juvenile court of a warrant issued pursuant to subdivision 2 of § 16.1-256, the intake officer shall accept and file a petition founded upon the warrant.

F. The intake officer shall notify the attorney for the Commonwealth of the filing of any petition which alleges facts of an offense which would be a felony if committed by an adult.

If the officer fails to make such service or return, the court shall dismiss the summons without prejudice.

4. In the case of offenses which, if committed by an adult, would be punishable as a Class 3 or Class 4 misdemeanor. In such cases the court may direct that an intake officer proceed as provided in § 16.1-237 on a summons issued by the officer investigating the violation in the same manner as provided by law for adults provided that notice of the summons to appear is mailed by the investigating officer within five days of the issuance of the summons to a parent or legal guardian of the juvenile.

I. Failure to comply with the procedures set forth in this section shall not divest the juvenile court of the jurisdiction granted it in § 16.1-241.

§ 16.1-273. Court may require investigation of social history and preparation of victim impact statement.

A. When a juvenile and domestic relations district court or circuit court has adjudicated any case involving a child subject to the jurisdiction of the court hereunder, except for a traffic violation, a violation of the game and fish law, or a violation of any city ordinance regulating surfing or establishing curfew violations, the court before final disposition thereof may require an investigation, which (i) shall include a drug screening and (ii) may, and for the purposes of subdivision A 14 or A 17 of § 16.1-278.8 shall, include a social history of the physical, mental, and social conditions, including an assessment of any affiliation with a criminal street gang as defined in § 18.2-46.1, and personality of the child and the facts and circumstances surrounding the violation of law. However, in the case of a juvenile adjudicated delinquent on the basis of an act committed on or after January 1, 2000, which would be (a) a felony if committed by an adult, or (b) a violation under Article 1 (§ 18.2-247 et seq.) or Article 1.1 (§ 18.2-265.1 et seq.) of Chapter 7 of Title 18.2 and such offense would be punishable as a Class 1 or Class 2 misdemeanor if committed by an adult, or (c) a violation of § 18.2-250.1, the court shall order the juvenile to undergo a drug screening. If the drug screening indicates that the juvenile has a substance abuse or dependence problem, an assessment shall be completed by a certified substance abuse counselor as defined in § 54.1-3500 employed by the Department of Juvenile Justice or by a locally operated court services unit or by an
individual employed by or currently under contract to such agencies and who is specifically trained to conduct such assessments under the supervision of such counselor.

B. The court also shall, on motion of the attorney for the Commonwealth with the consent of the victim, or may in its discretion, require the preparation of a victim impact statement in accordance with the provisions of § 19.2-299.1 if the court determines that the victim may have suffered significant physical, psychological, or economic injury as a result of the violation of law.

A. Wherever the terms "controlled substances" and "Schedules I, II, III, IV, V and VI" are used in Title 18.2, such terms refer to those terms as they are used or defined in the Drug Control Act (§ 54.1-3400 et seq.).

B. The term "imitation controlled substance" when used in this article means (i) a counterfeit controlled substance or (ii) a pill, capsule, tablet, or substance in any form whatsoever which is not a controlled substance subject to abuse, and:

1. Which by overall dosage unit appearance, including color, shape, size, marking and packaging or by representations made, would cause the likelihood that such a pill, capsule, tablet, or substance in any other form whatsoever will be mistaken for a controlled substance unless such substance was introduced into commerce prior to the initial introduction into commerce of the controlled substance which it is alleged to imitate; or

2. Which by express or implied representations purports to act like a controlled substance as a stimulant or depressant of the central nervous system and which is not commonly used or recognized for use in that particular formulation for any purpose other than for such stimulant or depressant effect, unless marketed, promoted, or sold as permitted by the United States U.S. Food and Drug Administration.

C. In determining whether a pill, capsule, tablet, or substance in any other form whatsoever, is an "imitation controlled substance," there shall be considered, in addition to all other relevant factors, comparisons with accepted methods of marketing for legitimate nonprescription drugs for medicinal purposes rather than for drug abuse or any similar nonmedicinal use, including consideration of the packaging of the drug and its appearance in overall finished dosage form, promotional materials or representations, oral or written, concerning the drug, and the methods of distribution of the drug and where and how it is sold to the public.

D. The term "marijuana" when used in this article means any part of a plant of the genus Cannabis, whether growing or not, its seeds or resin; and every compound, manufacture, salt, derivative, mixture, or preparation of such plant, its seeds, or any extract containing one or more cannabinoids. Marijuana shall does not include any oily extract containing one or more cannabinoids unless such extract contains less than 12 percent of tetrahydrocannabinol by weight, or the mature stalks of such plant, fiber produced from such stalk, oil or cake made from the seed of such plant, unless such stalks, fiber, oil or cake is combined with other parts of plants of the genus Cannabis. Marijuana shall does not include (i) industrial hemp, as defined in § 3.2-4112, that is possessed by a person registered pursuant to subsection A of § 3.2-4115 or his agent or (ii) a hemp product, as defined in § 3.2-4112, containing a tetrahydrocannabinol concentration of no greater than 0.3 percent that is derived from industrial hemp, as defined in § 3.2-4112, that is grown, dealt, or processed in compliance with state or federal law.
E. The term "counterfeit controlled substance" means a controlled substance that, without authorization, bears, is packaged in a container or wrapper that bears, or is otherwise labeled to bear, the trademark, trade name, or other identifying mark, imprint or device or any likeness thereof, of a drug manufacturer, processor, packer, or distributor other than the manufacturer, processor, packer, or distributor who did in fact so manufacture, process, pack or distribute such drug.

§ 18.2-248.1. Penalties for sale, gift, distribution or possession with intent to sell, give or distribute marijuana.

Except as authorized in the Drug Control Act, Chapter 34 of Title 54.1 (§ 54.1-3400 et seq.), it shall be unlawful for any person to sell, give, distribute or possess with intent to sell, give, or distribute marijuana.

(a) Any person who violates this section with respect to:

(1) Not more than one-half ounce of marijuana is guilty of a Class 1 misdemeanor;

(2) More than one-half ounce but not more than five pounds of marijuana is guilty of a Class 5 felony;

(3) More than five pounds of marijuana is guilty of a felony punishable by imprisonment of not less than five nor more than 30 years.

There shall be a rebuttable presumption that a person who possesses no more than one ounce of marijuana possesses it for personal use.

If such person proves that he gave, distributed, or possessed with intent to give or distribute marijuana only as an accommodation to another individual and not with intent to profit thereby from any consideration received or expected nor to induce the recipient or intended recipient of the marijuana to use or become addicted to or dependent upon such marijuana, he shall be guilty of a Class 1 misdemeanor.

(b) Any person who gives, distributes, or possesses marijuana as an accommodation and not with intent to profit thereby, to an inmate of a state or local correctional facility, as defined in § 53.1-1, or in the custody of an employee thereof shall be guilty of a Class 4 felony.

(c) Any person who manufactures marijuana, or possesses marijuana with the intent to manufacture such substance, not for his own use is guilty of a felony punishable by imprisonment of not less than five nor more than 30 years and a fine not to exceed $10,000.

(d) When a person is convicted of a third or subsequent felony offense under this section and it is alleged in the warrant, indictment or information that he has been before convicted of two or more felony offenses under this section or of substantially similar offenses in any other jurisdiction which offenses would be felonies if committed in the Commonwealth, and such prior convictions occurred before the date of the offense alleged in the warrant, indictment, or information, he shall be sentenced to imprisonment for life or for any period not less than five years, five years of which shall be a mandatory minimum term of imprisonment to be served consecutively with any other sentence and he shall be fined not more than $500,000.

§ 18.2-250.1. Possession of marijuana unlawful.
A. It is unlawful for any person knowingly or intentionally to possess marijuana unless the substance was obtained directly from, or pursuant to, a valid prescription or order of a practitioner while acting in the course of his professional practice, or except as otherwise authorized by the Drug Control Act (§ 54.1-3400 et seq.). The attorney for the Commonwealth or the county, city, or town attorney may prosecute such a case.

Upon the prosecution of a person for violation of this section, ownership or occupancy of the premises or vehicle upon or in which marijuana was found shall not create a presumption that such person either knowingly or intentionally possessed such marijuana.

Any person who violates this section is guilty of a misdemeanor and shall be confined in jail not more than 30 days and fined not subject to a civil penalty of no more than $500, either or both; any person, upon a second or subsequent conviction of a violation of this section, is guilty of a Class 1 misdemeanor $25. A violation of this section is a civil offense. Any civil penalties collected pursuant to this section shall be deposited into the Drug Offender Assessment and Treatment Fund established pursuant to § 18.2-251.02.

B. Any violation of this section shall be charged by summons. A summons for a violation of this section may be executed by a law-enforcement officer when such violation is observed by such officer. The summons used by a law-enforcement officer pursuant to this section shall be in form the same as the uniform summons for motor vehicle law violations as prescribed pursuant to § 46.2-388. No court costs shall be assessed for violations of this section. A person's criminal history record information as defined in § 9.1-101 shall not include records of any charges or judgments for a violation of this section, and records of such charges or judgments shall not be reported to the Central Criminal Records Exchange. However, if a violation of this section occurs while an individual is operating a commercial motor vehicle as defined in § 46.2-341.4, such violation shall be reported to the Department of Motor Vehicles and shall be included on such individual’s driving record.

C. The procedure for appeal and trial of any violation of this section shall be the same as provided by law for misdemeanors; if requested by either party on appeal to the circuit court, trial by jury shall be as provided in Article 4 (§ 19.2-260 et seq.) of Chapter 15 of Title 19.2, and the Commonwealth shall be required to prove its case beyond a reasonable doubt.

D. The provisions of this section shall not apply to members of state, federal, county, city, or town law-enforcement agencies, jail officers, or correctional officers, as defined in § 53.1-1, certified as handlers of dogs trained in the detection of controlled substances when possession of marijuana is necessary for the performance of their duties.

E. In any prosecution under this section involving marijuana in the form of cannabidiol oil or THC-A oil as those terms are defined in § 54.1-3408.3, it shall be an affirmative defense that the individual possessed such oil pursuant to a valid written certification issued by a practitioner in the course of his professional practice pursuant to § 54.1-3408.3 for treatment or to alleviate the symptoms of (i) the individual's diagnosed condition or disease, (ii) if such individual is the parent or legal guardian of a minor or of an incapacitated adult as defined in § 18.2-369, such minor's or incapacitated adult's diagnosed condition or disease, or (iii) if such individual has been designated as a registered agent pursuant to § 54.1-3408.3, the diagnosed condition or disease of his principal or, if the principal is the parent or legal guardian of a minor or of an incapacitated adult as defined in § 18.2-369, such minor's or incapacitated adult's diagnosed condition or disease. If the individual files the valid written certification with the court at least 10 days prior to trial and causes a copy of such written certification to be delivered to the attorney for the Commonwealth, such written certification shall be prima facie evidence that such oil was possessed pursuant to a valid written certification.
§ 18.2-251. Persons charged with first offense may be placed on probation; conditions; substance abuse screening, assessment treatment and education programs or services; drug tests; costs and fees; violations; discharge.

Whenever any person who has not previously been convicted of any criminal offense under this article or under any statute of the United States or of any state relating to narcotic drugs, marijuana, or stimulant, depressant, or hallucinogenic drugs, or has not previously had a proceeding against him for violation of such an offense dismissed as provided in this section, or pleads guilty to or enters a plea of not guilty to possession of a controlled substance under § 18.2-250 or to possession of marijuana under § 18.2-250.1, the court, upon such plea if the facts found by the court would justify a finding of guilt, without entering a judgment of guilt and with the consent of the accused, may defer further proceedings and place him on probation upon terms and conditions. If the court defers further proceedings, at that time the court shall determine whether the clerk of court has been provided with the fingerprint identification information or fingerprints of the person, taken by a law-enforcement officer pursuant to § 19.2-390, and, if not, shall order that the fingerprints and photograph of the person be taken by a law-enforcement officer.

As a term or condition, the court shall require the accused to undergo a substance abuse assessment pursuant to § 18.2-251.01 or 19.2-299.2, as appropriate, and enter treatment and/or education program or services, if available, such as, in the opinion of the court, may be best suited to the needs of the accused based upon consideration of the substance abuse assessment. The program or services may be located in the judicial district in which the charge is brought or in any other judicial district as the court may provide. The services shall be provided by (i) a program licensed by the Department of Behavioral Health and Developmental Services, by a similar program which is made available through the Department of Corrections, (ii) a local community-based probation services agency established pursuant to § 9.1-174, or (iii) an ASAP program certified by the Commission on VASAP.

The court shall require the person entering such program under the provisions of this section to pay all or part of the costs of the program, including the costs of the screening, assessment, testing, and treatment, based upon the accused's ability to pay unless the person is determined by the court to be indigent.

As a condition of probation, the court shall require the accused (a) to successfully complete treatment or education program or services, (b) to remain drug and alcohol free during the period of probation and submit to such tests during that period as may be necessary and appropriate to determine if the accused is drug and alcohol free, (c) to make reasonable efforts to secure and maintain employment, and (d) to comply with a plan of at least 100 hours of community service for a felony and up to 24 hours of community service for a misdemeanor. In addition to any community service required by the court pursuant to clause (d), if the court does not suspend or revoke the accused's license as a term or condition of probation for a violation of § 18.2-250.1, the court shall require the accused to comply with a plan of 50 hours of community service. Such testing shall be conducted by personnel of the supervising probation agency or personnel of any program or agency approved by the supervising probation agency.

Upon violation of a term or condition, the court may enter an adjudication of guilt and proceed as otherwise provided. Upon fulfillment of the terms and conditions, and upon determining that the clerk of court has been provided with the fingerprint identification information or fingerprints of such person, the court shall discharge the person and dismiss the proceedings against him. Discharge and dismissal under this section shall be without adjudication of guilt and is a conviction only for the purposes of applying this section in subsequent proceedings.
Notwithstanding any other provision of this section, whenever a court places an individual on probation upon terms and conditions pursuant to this section, such action shall be treated as a conviction for purposes of §§ 18.2-259.1, 22.1-315, and 46.2-390.1, and the driver's license forfeiture provisions of those sections shall be imposed. However, if the court places an individual on probation upon terms and conditions for a violation of § 18.2-250.1, such action shall not be treated as a conviction for purposes of § 18.2-259.1 or 46.2-390.1, provided that a court (1) may suspend or revoke an individual's driver's license as a term or condition of probation and (2) shall suspend or revoke an individual's driver's license as a term or condition of probation for a period of six months if the violation of § 18.2-250.1 was committed while such person was in operation of a motor vehicle. The provisions of this paragraph shall not be applicable to any offense for which a juvenile has had his license suspended or denied pursuant to § 16.1-278.9 for the same offense.

§ 18.2-251.02. Drug Offender Assessment and Treatment Fund.

There is hereby established in the state treasury the Drug Offender Assessment and Treatment Fund, which shall consist of moneys received from (i) fees imposed on certain drug offense convictions pursuant to § 16.1-69.48:3 and subdivisions A 10 and A 11 of § 17.1-275 and § 16.1-69.48:3 (ii) civil penalties imposed for violations of § 18.2-250.1. All interest derived from the deposit and investment of moneys in the Fund shall be credited to the Fund. Any moneys not appropriated by the General Assembly shall remain in the Drug Offender Assessment and Treatment Fund and shall not be transferred or revert to the general fund at the end of any fiscal year. All moneys in the Fund shall be subject to annual appropriation by the General Assembly to the Department of Corrections, the Department of Juvenile Justice, and the Commission on VASAP to implement and operate the offender substance abuse screening and assessment program; the Department of Criminal Justice Services for the support of community-based probation and local pretrial services agencies; and the Office of the Executive Secretary of the Supreme Court of Virginia for the support of drug treatment court programs.

§ 18.2-252. Suspended sentence conditioned upon substance abuse screening, assessment, testing, and treatment or education.

The trial judge or court trying the case of any person found guilty of violating a criminal violation of any law concerning the use, in any manner, of drugs, controlled substances, narcotics, marijuana, noxious chemical substances and like substances, shall condition any suspended sentence by first requiring such person to agree to undergo a substance abuse screening pursuant to § 18.2-251.01 and to submit to such periodic substance abuse testing, to include alcohol testing, as may be directed by the court. Such testing shall be conducted by the supervising probation agency or by personnel of any program or agency approved by the supervising probation agency. The cost of such testing ordered by the court shall be paid by the Commonwealth and taxed as a part of the costs of such criminal proceedings. The judge or court shall order the person, as a condition of any suspended sentence, to undergo such treatment or education for substance abuse, if available, as the judge or court deems appropriate based upon consideration of the substance abuse assessment. The treatment or education shall be provided by a program or agency licensed by the Department of Behavioral Health and Developmental Services, by a similar program or services available through the Department of Corrections if the court imposes a sentence of one year or more or, if the court imposes a sentence of 12 months or less, by a similar program or services available through a local or regional jail, a local community-based probation services agency established pursuant to § 9.1-174, or an ASAP program certified by the Commission on VASAP.

A. Whenever any person who has not previously been convicted of any criminal offense under this article or under any statute of the United States or of any state relating to narcotic drugs, marijuana, stimulant, depressant, or hallucinogenic drugs or has not previously had a proceeding against him for violation of such an offense dismissed as provided in § 18.2-251 is found guilty of violating any law concerning the use, in any manner, of drugs, controlled substances, narcotics, marijuana, noxious chemical substances, and like substances, the judge or court shall require such person to undergo a substance abuse screening pursuant to § 18.2-251.01 and to submit to such periodic substance abuse testing, to include alcohol testing, as may be directed by the court. The cost of such testing ordered by the court shall be paid by the Commonwealth and taxed as a part of the costs of the criminal proceedings. The judge or court shall also order the person to undergo such treatment or education for substance abuse, if available, as the judge or court deems appropriate based upon consideration of the substance abuse assessment. The treatment or education shall be provided by a program or agency licensed by the Department of Behavioral Health and Developmental Services or by a similar program or services available through the Department of Corrections if the court imposes a sentence of one year or more or, if the court imposes a sentence of 12 months or less, by a similar program or services available through a local or regional jail, a local community-based probation services agency established pursuant to § 9.1-174, or an ASAP program certified by the Commission on VASAP.

B. The court trying the case of any person alleged to have committed any criminal offense designated by this article or by the Drug Control Act (§ 54.1-3400 et seq.) or in any other criminal case in which the commission of the offense was motivated by or closely related to the use of drugs and determined by the court, pursuant to a substance abuse screening and assessment, to be in need of treatment for the use of drugs may commit, based upon a consideration of the substance abuse assessment, such person, upon his conviction, to any facility for the treatment of persons with substance abuse, licensed by the Department of Behavioral Health and Developmental Services, if space is available in such facility, for a period of time not in excess of the maximum term of imprisonment specified as the penalty for conviction of such offense or, if sentence was determined by a jury, not in excess of the term of imprisonment as set by such jury. Confinement under such commitment shall be, in all regards, treated as confinement in a penal institution and the person so committed may be convicted of escape if he leaves the place of commitment without authority. A charge of escape may be prosecuted in either the jurisdiction where the treatment facility is located or the jurisdiction where the person was sentenced to commitment. The court may revoke such commitment at any time and transfer the person to an appropriate state or local correctional facility. Upon presentation of a certified statement from the director of the treatment facility to the effect that the confined person has successfully responded to treatment, the court may release such confined person prior to the termination of the period of time for which such person was confined and may suspend the remainder of the term upon such conditions as the court may prescribe.

C. The court trying a case in which commission of the criminal offense was related to the defendant's habitual abuse of alcohol and in which the court determines, pursuant to a substance abuse screening and assessment, that such defendant is in need of treatment, may commit, based upon a consideration of the substance abuse assessment, such person, upon his conviction, to any facility for the treatment of persons with substance abuse licensed by the Department of Behavioral Health and Developmental Services, if space is available in such facility, for a period of time not in excess of the maximum term of imprisonment specified as the penalty for conviction. Confinement under such commitment shall be, in all regards, treated as confinement in a penal institution and the person so committed may be convicted of escape if he leaves the place of commitment without authority. The court may revoke such commitment at any time and transfer the person to an appropriate state or local correctional facility. Upon presentation of a certified statement from the director of the treatment facility to the effect that the confined person has successfully responded to treatment, the court may release such
confined person prior to the termination of the period of time for which such person was confined and may
suspend the remainder of the term upon such conditions as the court may prescribe.

§ 19.2-389.3. Marijuana possession; limits on dissemination of criminal history record information; prohibited
practices by employers, educational institutions, and state and local governments; penalty.

A. Records relating to the arrest, criminal charge, or conviction of a person for a violation of § 18.2-250.1,
including any violation charged under § 18.2-250.1 that was deferred and dismissed pursuant to § 18.2-251,

308.2:2 of eligibility to possess or purchase a firearm; (ii) to aid in the preparation of a pretrial investigation

fingerprint comparison utilizing the fingerprints maintained in the Automated Fingerprint Information System
computer; (v) to attorneys for the Commonwealth to secure information incidental to sentencing and to attorneys
for the Commonwealth and probation officers to prepare the discretionary sentencing guidelines worksheets
pursuant to subsection C of § 19.2-298.01; (vi) to any full-time or part-time employee of the State Police, a
police department, or sheriff’s office that is a part of or administered by the Commonwealth or any political

penal, traffic, or highway laws of the Commonwealth, for purposes of the administration of criminal justice as
defined in § 9.1-101; (vii) to the Virginia Criminal Sentencing Commission for research purposes; (viii) to any
full-time or part-time employee of the State Police or a police department or sheriff’s office that is a part of or
administered by the Commonwealth or any political subdivision thereof for the purpose of screening any person
for full-time or part-time employment with the State Police or a police department or sheriff’s office that is a part
of or administered by the Commonwealth or any political subdivision thereof; (ix) to the State Health
Commissioner or his designee for the purpose of screening any person who applies to be a volunteer with or an
employee of an emergency medical services agency as provided in § 32.1-111.5; (x) to any full-time or part-time
employee of the Department of Forensic Science for the purpose of screening any person for full-time or part-

an ordinance in accordance with §§ 15.2-1503.1 and 19.2-389 for the purpose of screening any person who
applies to be a volunteer with or an employee of an emergency medical services agency as provided in § 32.1-
111.5; and (xii) to any full-time or part-time employee of the Department of Motor Vehicles, any employer as
defined in § 46.2-341.4, or any medical examiner as defined in 49 C.F.R. § 390.5 for the purpose of complying
with the regulations of the Federal Motor Carrier Safety Administration.

B. An employer or educational institution shall not, in any application, interview, or otherwise, require an
applicant for employment or admission to disclose information concerning any arrest, criminal charge, or
conviction against him when the record relating to such arrest, criminal charge, or conviction is not open for
public inspection pursuant to subsection A. An applicant need not, in answer to any question concerning any
arrest, criminal charge, or conviction, include a reference to or information concerning any arrest, criminal
charge, or conviction when the record relating to such arrest, criminal charge, or conviction is not open for
public inspection pursuant to subsection A.
C. Agencies, officials, and employees of the state and local governments shall not, in any application, interview, or otherwise, require an applicant for a license, permit, registration, or governmental service to disclose information concerning any arrest, criminal charge, or conviction against him when the record relating to such arrest, criminal charge, or conviction is not open for public inspection pursuant to subsection A. An applicant need not, in answer to any question concerning any arrest, criminal charge, or conviction, include a reference to or information concerning any arrest, criminal charge, or conviction when the record relating to such arrest, criminal charge, or conviction is not open for public inspection pursuant to subsection A. Such an application may not be denied solely because of the applicant's refusal to disclose information concerning any such arrest, criminal charge, or conviction.

D. A person who willfully violates subsection B or C is guilty of a Class 1 misdemeanor for each violation.

§ 19.2-392.2. Expungement of police and court records.

A. If a person is charged with the commission of a crime, a civil offense, or any offense defined in Title 18.2, and

1. Is acquitted, or

2. A nolle prosequi is taken or the charge is otherwise dismissed, including dismissal by accord and satisfaction pursuant to § 19.2-151, he may file a petition setting forth the relevant facts and requesting expungement of the police records and the court records relating to the charge.

B. If any person whose name or other identification has been used without his consent or authorization by another person who has been charged or arrested using such name or identification, he may file a petition with the court disposing of the charge for relief pursuant to this section. Such person shall not be required to pay any fees for the filing of a petition under this subsection. A petition filed under this subsection shall include one complete set of the petitioner's fingerprints obtained from a law-enforcement agency.

C. The petition with a copy of the warrant, summons, or indictment if reasonably available shall be filed in the circuit court of the county or city in which the case was disposed of by acquittal or being otherwise dismissed and shall contain, except where not reasonably available, the date of arrest and the name of the arresting agency. Where this information is not reasonably available, the petition shall state the reason for such unavailability. The petition shall further state the specific criminal charge or civil offense to be expunged, the date of final disposition of the charge as set forth in the petition, the petitioner's date of birth, and the full name used by the petitioner at the time of arrest.

D. A copy of the petition shall be served on the attorney for the Commonwealth of the city or county in which the petition is filed. The attorney for the Commonwealth may file an objection or answer to the petition or may give written notice to the court that he does not object to the petition within 21 days after it is served on him.

E. The petitioner shall obtain from a law-enforcement agency one complete set of the petitioner's fingerprints and shall provide that agency with a copy of the petition for expungement. The law-enforcement agency shall submit the set of fingerprints to the Central Criminal Records Exchange (CCRE) with a copy of the petition for expungement attached. The CCRE shall forward under seal to the court a copy of the petitioner's criminal history, a copy of the source documents that resulted in the CCRE entry that the petitioner wishes to expunge, if applicable, and the set of fingerprints. Upon completion of the hearing, the court shall return the fingerprint card to the petitioner. If no hearing was conducted, upon the entry of an order of expungement or an order denying
the petition for expungement, the court shall cause the fingerprint card to be destroyed unless, within 30 days of
the date of the entry of the order, the petitioner requests the return of the fingerprint card in person from the clerk
of the court or provides the clerk of the court a self-addressed, stamped envelope for the return of the fingerprint
card.

F. After receiving the criminal history record information from the CCRE, the court shall conduct a hearing on
the petition. If the court finds that the continued existence and possible dissemination of information relating to
the arrest of the petitioner causes or may cause circumstances which constitute a manifest injustice to the
petitioner, it shall enter an order requiring the expungement of the police and court records, including electronic
records, relating to the charge. Otherwise, it shall deny the petition. However, if the petitioner has no prior
criminal record and the arrest was for a misdemeanor violation or the charge was for a civil offense, the
petitioner shall be entitled, in the absence of good cause shown to the contrary by the Commonwealth, to
expungement of the police and court records relating to the charge, and the court shall enter an order of
expungement. If the attorney for the Commonwealth of the county or city in which the petition is filed (i) gives
written notice to the court pursuant to subsection D that he does not object to the petition and (ii) when the
charge to be expunged is a felony, stipulates in such written notice that the continued existence and possible
dissemination of information relating to the arrest of the petitioner causes or may cause circumstances which
constitute a manifest injustice to the petitioner, the court may enter an order of expungement without conducting
a hearing.

G. The Commonwealth shall be made party defendant to the proceeding. Any party aggrieved by the decision of
the court may appeal, as provided by law in civil cases.

H. Notwithstanding any other provision of this section, when the charge is dismissed because the court finds that
the person arrested or charged is not the person named in the summons, warrant, indictment or presentment, the
court dismissing the charge shall, upon motion of the person improperly arrested or charged, enter an order

[H 1023]
Approved April 10, 2020

1. That the Code of Virginia is amended by adding a section numbered 19.2-390.04 as follows:

§ 19.2-390.04. Custodial interrogations; recording.

A. For purposes of this section:

"Custodial interrogation" means any interview conducted by a law-enforcement officer in such circumstances that would lead a reasonable person to consider himself to be in custody associated with arrest and during which the law-enforcement officer takes actions or asks questions that are reasonably likely to elicit responses from the person that could incriminate him.

"Place of detention" means a police station, sheriff's office, jail, detention center, or other similar facility in which suspects may be detained.

B. A law-enforcement officer conducting a custodial interrogation of any person at a place of detention shall cause an audiovisual recording of the entirety of such custodial interrogation to be made. If such law-enforcement officer is unable to cause an audiovisual recording of such custodial interrogation to be made, the law-enforcement officer shall cause an audio recording of such custodial interrogation to be made.

This subsection shall not apply when a law-enforcement officer conducting a custodial interrogation has good cause not to record such custodial interrogation. Good cause shall include those circumstances where (i) the recording equipment fails, (ii) the recording equipment is unavailable, or (iii) exigent circumstances relating to public safety exist that prevent the recording of such custodial interrogation.

C. The failure of a law-enforcement officer to cause an audiovisual or audio recording to be made in accordance with subsection B shall not affect the admissibility of the statements made by the subject of the custodial interrogation, but such failure may be considered in determining the weight given to such evidence.

D. Any audiovisual or audio recording made in accordance to subsection B shall be preserved until such time as (i) the person is acquitted or the charges against the person are otherwise dismissed and further prosecution of such charges is prohibited by law or (ii) if convicted or adjudicated delinquent, the person has completed service of his sentence and any modification of his sentence.

Any policies, standards, and guidelines for the maintenance, exchange, storage, use, sharing, distribution, and security of data for any audiovisual or audio recording made in accordance with subsection B shall be developed and adopted by the law-enforcement agency employing the law-enforcement officer causing the audiovisual or audio recording to be made in accordance with subsection B.

Requires that prior to the custodial interrogation of a child who has been arrested by a law-enforcement officer for a criminal violation, the child's parent, guardian, or legal custodian be notified of the child's arrest and the child have contact with his parent, guardian, or legal custodian. Such notification and contact may be in person, electronically, by telephone, or by video conference. However, notification and contact prior to a custodial interrogation is not required if the parent, guardian, or legal custodian is a codefendant in the alleged offense; the parent, guardian, or legal custodian has been arrested for, has been charged with, or is being investigated for a crime against the child; the person cannot reasonably be located or refuses contact with the child; or the law-enforcement officer conducting the custodial interrogation reasonably believes the information sought is necessary to protect life, limb, or property from an imminent danger and the questions are limited to those that are reasonably necessary to obtain that information.

**Strip searches of children.** Provides that no child under the age of 18 shall be strip searched or subjected to a search of any body cavity by a law-enforcement officer or a jail officer. B. 1. No dealer shall sell, rent, trade or transfer from his inventory any such firearm to any other person who is a resident of Virginia until he has (i) obtained written consent and the other information on the consent form specified in subsection A, and provided the Department of State Police with the name, birth date, gender, race, citizenship, and social security number and/or any other identification number and the number of firearms by category intended to be sold, rented, traded or transferred and (ii) requested criminal history record information by a telephone call to or other communication authorized by the State Police and is authorized by subdivision 2 to complete the sale or other such transfer. To establish personal identification and residence in Virginia for purposes of this section, a dealer must require any prospective purchaser to present one photo-identification form issued by a governmental agency of the Commonwealth or by the United States Department of Defense that demonstrates that the prospective purchaser resides in Virginia. For the purposes of this section and establishment of residency for firearm purchase, residency of a member of the armed forces shall include both the state in which the member's permanent duty post is located and any nearby state in which the member resides and from which he commutes to the permanent duty post. A member of the armed forces whose photo identification issued by the Department of Defense does not have a Virginia address may establish his Virginia
residency with such photo identification and either permanent orders assigning the purchaser to a duty post, including the Pentagon, in Virginia or the purchaser's Leave and Earnings Statement. When the photo identification presented to a dealer by the prospective purchaser is a driver's license or other photo identification issued by the Department of Motor Vehicles, and such identification form contains a date of issue, the dealer shall not, except for a renewed driver's license or other photo identification issued by the Department of Motor Vehicles, sell or otherwise transfer a firearm to the prospective purchaser until 30 days after the date of issue of an original or duplicate driver's license unless the prospective purchaser also presents a copy of his Virginia Department of Motor Vehicles driver's record showing that the original date of issue of the driver's license was more than 30 days prior to the attempted purchase.

In addition, no dealer shall sell, rent, trade, or transfer from his inventory any assault firearm to any person who is not a citizen of the United States or who is not a person lawfully admitted for permanent residence.

Upon receipt of the request for a criminal history record information check, the State Police shall (a) review its criminal history record information to determine if the buyer or transferee is prohibited from possessing or transporting a firearm by state or federal law, (b) inform the dealer if its record indicates that the buyer or transferee is so prohibited, and (c) provide the dealer with a unique reference number for that inquiry.

2. The State Police shall provide its response to the requesting dealer during the dealer's request, or by return call without delay. If the criminal history record information check indicates the prospective purchaser or transferee has a disqualifying criminal record or has been acquitted by reason of insanity and committed to the custody of the Commissioner of Behavioral Health and Developmental Services, the State Police shall have until the end of the dealer's next business day to advise the dealer if its records indicate the buyer or transferee is prohibited from possessing or transporting a firearm by state or federal law. If not so advised by the end of the dealer's next business day, a dealer who has fulfilled the requirements of subdivision 1 may immediately complete the sale or transfer and shall not be deemed in violation of this section with respect to such sale or transfer. In case of electronic failure or other circumstances beyond the control of the State Police, the dealer shall be advised immediately of the reason for such delay and be given an estimate of the length of such delay. After such notification, the State Police shall, as soon as possible but in no event later than the end of the dealer's next business day, inform the requesting dealer if its records indicate the buyer or transferee is prohibited from possessing or transporting a firearm by state or federal law. A dealer who fulfills the requirements of subdivision 1 and is told by the State Police that a response will not be available by the end of the dealer's next business day may immediately complete the sale or transfer and shall not be deemed in violation of this section with respect to such sale or transfer.

3. Except as required by subsection D of § 9.1-132, the State Police shall not maintain records longer than 30 days, except for multiple handgun transactions for which records shall be maintained for 12 months, from any dealer's request for a criminal history record information check pertaining to a buyer or transferee who is not found to be prohibited from possessing and transporting a firearm under state or federal law. However, the log on requests made may be maintained for a period of 12 months, and such log shall consist of the name of the purchaser, the dealer identification number, the unique approval number and the transaction date.

4. On the last day of the week following the sale or transfer of any firearm, the dealer shall mail or deliver the written consent form required by subsection A to the Department of State Police. The State Police shall immediately initiate a search of all available criminal history record information to determine if the purchaser is prohibited from possessing or transporting a firearm under state or federal law. If the search discloses information indicating that the buyer or transferee is so prohibited from possessing or transporting a firearm, the
State Police shall inform the chief law-enforcement officer in the jurisdiction where the sale or transfer occurred and the dealer without delay.

5. Notwithstanding any other provisions of this section, rifles and shotguns may be purchased by persons who are citizens of the United States or persons lawfully admitted for permanent residence but residents of other states under the terms of subsections A and B upon furnishing the dealer with one photo-identification form issued by a governmental agency of the person's state of residence and one other form of identification determined to be acceptable by the Department of Criminal Justice Services.

6. For the purposes of this subsection, the phrase "dealer's next business day" shall not include December 25.

C. No dealer shall sell, rent, trade or transfer from his inventory any firearm, except when the transaction involves a rifle or a shotgun and can be accomplished pursuant to the provisions of subdivision B 5 to any person who is not a resident of Virginia unless he has first obtained from the Department of State Police a report indicating that a search of all available criminal history record information has not disclosed that the person is prohibited from possessing or transporting a firearm under state or federal law. The dealer shall obtain the required report by mailing or delivering the written consent form required under subsection A to the State Police within 24 hours of its execution. If the dealer has complied with the provisions of this subsection and has not received the required report from the State Police within 10 days from the date the written consent form was mailed to the Department of State Police, he shall not be deemed in violation of this section for thereafter completing the sale or transfer.

D. Nothing herein shall prevent a resident of the Commonwealth, at his option, from buying, renting or receiving a firearm from a dealer in Virginia by obtaining a criminal history record information check through the dealer as provided in subsection C.

E. If any buyer or transferee is denied the right to purchase a firearm under this section, he may exercise his right of access to and review and correction of criminal history record information under § 9.1-132 or institute a civil action as provided in § 9.1-135, provided any such action is initiated within 30 days of such denial.

§ 19.2-152.13. Emergency substantial risk order.

A. Upon the petition of an attorney for the Commonwealth or a law-enforcement officer, a judge of a circuit court, general district court, or juvenile and domestic relations district court or a magistrate, upon a finding that there is probable cause to believe that a person poses a substantial risk of personal injury to himself or others in the near future by such person's possession or acquisition of a firearm, shall issue an ex parte emergency substantial risk order. Such order shall prohibit the person who is subject to the order from purchasing, possessing, or transporting a firearm for the duration of the order. In determining whether probable cause for the issuance of an order exists, the judge or magistrate shall consider any relevant evidence, including any recent act of violence, force, or threat as defined in § 19.2-152.7:1 by such person directed toward another person or toward himself. No petition shall be filed unless an independent investigation has been conducted by law enforcement that determines that grounds for the petition exist. The order shall contain a statement (i) informing the person who is subject to the order of the requirements and penalties under § 18.2-308.1:6, including that it is unlawful for such person to purchase, possess, or transport a firearm for the duration of the order and that such person is required to surrender his concealed handgun permit if he possesses such permit, and (ii) advising such person to voluntarily relinquish any firearm within his custody to the law-enforcement agency that serves the order.

B. The petition for an emergency substantial risk order shall be made under oath and shall be supported by an affidavit.

C. Upon service of an emergency substantial risk order, the person who is subject to the order shall be given the opportunity to voluntarily relinquish any firearm in his possession. The law-enforcement agency that executed the emergency substantial risk order shall take custody of all firearms that are voluntarily relinquished by such person. The law-enforcement agency that takes into custody a firearm pursuant to the order shall prepare a
written receipt containing the name of the person who is subject to the order and the manufacturer, model, condition, and serial number of the firearm and shall provide a copy thereof to such person. Nothing in this subsection precludes a law-enforcement officer from later obtaining a search warrant for any firearms if the law-enforcement officer has reason to believe that the person who is subject to an emergency substantial risk order has not relinquished all firearms in his possession.

D. An emergency substantial risk order issued pursuant to this section shall expire at 11:59 p.m. on the fourteenth day following issuance of the order. If the expiration occurs on a day that the circuit court for the jurisdiction where the order was issued is not in session, the order shall be extended until 11:59 p.m. on the next day that the circuit court is in session. The person who is subject to the order may at any time file with the circuit court a motion to dissolve the order.

E. An emergency substantial risk order issued pursuant to this section is effective upon personal service on the person who is subject to the order. The order shall be served forthwith after issuance. A copy of the order, petition, and supporting affidavit shall be given to the person who is subject to the order together with a notice informing the person that he has a right to a hearing under §19.2-152.14 and may be represented by counsel at the hearing.

F. The court or magistrate shall forthwith, but in all cases no later than the end of the business day on which the emergency substantial risk order was issued, enter and transfer electronically to the Virginia Criminal Information Network (VCIN) established and maintained by the Department of State Police (Department) pursuant to Chapter 2 (§52.1-24 et seq.) of Title 52 the identifying information of the person who is subject to the order provided to the court or magistrate. A copy of an order issued pursuant to this section containing any such identifying information shall be forwarded forthwith to the primary law-enforcement agency responsible for service and entry of the order. Upon receipt of the order by the primary law-enforcement agency, the agency shall forthwith verify and enter any modification as necessary to the identifying information and other appropriate information required by the Department into the VCIN, and the order shall be served forthwith upon the person who is subject to the order. However, if the order is issued by the circuit court, the clerk of the circuit court shall forthwith forward an attested copy of the order containing the identifying information of the person who is subject to the order provided to the court to the primary law-enforcement agency providing service and entry of the order. Upon receipt of the order by the primary law-enforcement agency, the agency shall enter the name of the person subject to the order and other appropriate information required by the Department into the VCIN and the order shall be served forthwith upon the person who is subject to the order. Upon service, the agency making service shall enter the date and time of service and other appropriate information required into the VCIN and make due return to the court. If the order is later dissolved or modified, a copy of the dissolution or modification order shall also be attested and forwarded forthwith to the primary law-enforcement agency responsible for service and entry of the order. Upon receipt of the dissolution or modification order by the primary law-enforcement agency, the agency shall forthwith verify and enter any modification as necessary to the identifying information and other appropriate information required by the Department into the VCIN and the order shall be served forthwith.

G. The law-enforcement agency that serves the emergency substantial risk order shall make due return to the circuit court, which shall be accompanied by a written inventory of all firearms relinquished.

H. Proceedings in which an emergency substantial risk order is sought pursuant to this section shall be commenced where the person who is subject to the order (i) has his principal residence or (ii) has engaged in any conduct upon which the petition for the emergency substantial risk order is based.
I. A proceeding for a substantial risk order shall be a separate civil legal proceeding subject to the same rules as civil proceedings.

A. Not later than 14 days after the issuance of an emergency substantial risk order pursuant to § 19.2-152.13, the circuit court for the jurisdiction where the order was issued shall hold a hearing to determine whether a substantial risk order should be entered. The attorney for the Commonwealth for the jurisdiction that issued the emergency substantial risk order shall represent the interests of the Commonwealth. Notice of the hearing shall be given to the person subject to the emergency substantial risk order and the attorney for the Commonwealth. Upon motion of the respondent and for good cause shown, the court may continue the hearing, provided that the order shall remain in effect until the hearing. The Commonwealth shall have the burden of proving all material facts by clear and convincing evidence. If the court finds by clear and convincing evidence that the person poses a substantial risk of personal injury to himself or to other individuals in the near future by such person's possession or acquisition of a firearm, the court shall issue a substantial risk order. Such order shall prohibit the person who is subject to the order from purchasing, possessing, or transporting a firearm for the duration of the order. In determining whether clear and convincing evidence for the issuance of an order exists, the judge shall consider any relevant evidence including any recent act of violence, force, or threat as defined in § 19.2-152.7:1 by such person directed toward another person or toward himself. The order shall contain a statement (i) informing the person who is subject to the order of the requirements and penalties under § 18.2-308.1:6, including that it is unlawful for such person to purchase, possess, or transport a firearm for the duration of the order and that such person is required to surrender his concealed handgun permit if he possesses such permit, and (ii) advising such person to voluntarily relinquish any firearm that has not been taken into custody to the law-enforcement agency that served the emergency substantial risk order.

B. If the court issues a substantial risk order pursuant to subsection A, the court shall (i) order that any firearm that was previously relinquished pursuant to § 19.2-152.13 from the person who is subject to the substantial risk order continue to be held by the agency that has custody of the firearm for the duration of the order and (ii) advise such person that a law-enforcement officer may obtain a search warrant to search for any firearms from such person if such law-enforcement officer has reason to believe that such person has not relinquished all firearms in his possession.

If the court finds that the person does not pose a substantial risk of personal injury to himself or to other individuals in the near future, the court shall order that any firearm that was previously relinquished be returned to such person in accordance with the provisions of § 19.2-152.15.

C. The substantial risk order may be issued for a specified period of time up to a maximum of 180 days. The order shall expire at 11:59 p.m. on the last day specified or at 11:59 p.m. on the last day of the 180-day period if no date is specified. Prior to the expiration of the order, an attorney for the Commonwealth or a law-enforcement officer may file a written motion requesting a hearing to extend the order. Proceedings to extend an order shall be given precedence on the docket of the court. The court may extend the order for a period not longer than 180 days if the court finds by clear and convincing evidence that the person continues to pose a substantial risk of personal injury to himself or to other individuals in the near future by such person's possession or acquisition of a firearm at the time the request for an extension is made. The extension of the order shall expire at 11:59 p.m. on the last day specified or at 11:59 p.m. on the last day of the 180-day period if no date is specified. Nothing herein shall limit the number of extensions that may be requested or issued. The
person who is subject to the order may file a motion to dissolve the order one time during the duration of the order; however, such motion may not be filed earlier than 30 days from the date the order was issued.

D. Any person whose firearm has been voluntarily relinquished pursuant to § 19.2-152.13 or this section, or such person’s legal representative, may transfer the firearm to another individual 21 years of age or older who is not otherwise prohibited by law from possessing such firearm, provided that:

1. The person subject to the order and the transferee appear at the hearing;

2. At the hearing, the attorney for the Commonwealth advises the court that a law-enforcement agency has determined that the transferee is not prohibited from possessing or transporting a firearm;

3. The transferee does not reside with the person subject to the order;

4. The court informs the transferee of the requirements and penalties under § 18.2-308.2:1; and

5. The court, after considering all relevant factors and any evidence or testimony from the person subject to the order, approves the transfer of the firearm subject to such restrictions as the court deems necessary.

The law-enforcement agency holding the firearm shall deliver the firearm to the transferee within five days of receiving a copy of the court’s approval of the transfer.

E. The court shall forthwith, but in all cases no later than the end of the business day on which the substantial risk order was issued, enter and transfer electronically to the Virginia Criminal Information Network (VCIN) established and maintained by the Department of State Police (Department) pursuant to Chapter 2 (§ 52-12 et seq.) of Title 52 the identifying information of the person who is subject to the order and shall forthwith forward the attested copy of the order containing any such identifying information to the primary law-enforcement agency responsible for service and entry of the order. Upon receipt of the order by the primary law-enforcement agency, the agency shall forthwith verify and enter any modification as necessary to the identifying information and other appropriate information required by the Department into the VCIN and the order shall be served forthwith upon the person who is subject to the order and due return made to the court. Upon service, the agency making service shall enter the date and time of service and other appropriate information required by the Department into the VCIN and make due return to the court. If the person who is subject to an emergency substantial risk order fails to appear at the hearing conducted pursuant to this section because such person was not personally served with notice of the hearing pursuant to subsection A, or if personally served was incarcerated and not transported to the hearing, the court may extend the emergency substantial risk order for a period not to exceed 14 days. The extended emergency substantial risk order shall specify a date for a hearing to be conducted pursuant to this section and shall be served forthwith on such person and due return made to the court. If the order is later dissolved or modified, a copy of the dissolution or modification order shall also be attested and forwarded forthwith to the primary law-enforcement agency responsible for service and entry of the order. Upon receipt of the dissolution or modification order by the primary law-enforcement agency, the agency shall forthwith verify and enter any modification as necessary to the identifying information and other appropriate information required by the Department of State Police into the Virginia Criminal Information Network, and the order shall be served forthwith and due return made to the court.

§ 19.2-152.15. Return or disposal of firearms.
A. Any firearm taken into custody pursuant to § 19.2-152.13 or 19.2-152.14 and held by a law-enforcement agency shall be returned by such agency to the person from whom the firearm was taken upon a court order for the return of the firearm issued pursuant to § 19.2-152.14 or the expiration or dissolution of an order issued pursuant to § 19.2-152.13 or 19.2-152.14. Such agency shall return the firearm within five days of receiving a written request for the return of the firearm by the person from whom the firearm was taken and a copy of the receipt provided to such person pursuant to § 19.2-152.13. Prior to returning the firearm to such person, the law-enforcement agency holding the firearm shall confirm that such person is no longer subject to an order issued pursuant to § 19.2-152.13 or 19.2-152.14 and is not otherwise prohibited by law from possessing a firearm.

B. A firearm taken into custody pursuant to pursuant to § 19.2-152.13 or 19.2-152.14 and held by a law-enforcement agency may be disposed of in accordance with the provisions of § 15.2-1721 if (i) the person from whom the firearm was taken provides written authorization for such disposal to the agency or (ii) the firearm remains in the possession of the agency more than 120 days after such person is no longer subject to an order issued pursuant to § 19.2-152.13 or 19.2-152.14 and such person has not submitted a request in writing for the return of the firearm.

§ 19.2-152.16. False statement to law-enforcement officer, etc.; penalty.

Any person who knowingly and willfully makes any materially false statement or representation to a law-enforcement officer or attorney for the Commonwealth who is in the course of conducting an investigation undertaken pursuant to this chapter is guilty of a Class 1 misdemeanor.

§ 19.2-152.17. Immunity of law-enforcement officers, etc.; chapter not exclusive.

A. An attorney for the Commonwealth or a law-enforcement officer shall be immune from civil liability for any act or omission related to petitioning or declining to petition for a substantial risk order pursuant to this chapter.

B. Any law-enforcement agency or law-enforcement officer that takes into custody, stores, possesses, or transports a firearm pursuant to § 19.2-152.13 or 19.2-152.14, or by a search warrant for a person who has failed to voluntarily relinquish his firearm, shall be immune from civil or criminal liability for any damage to or deterioration, loss, or theft of such firearm.

C. Nothing in this chapter precludes a law-enforcement officer from conducting a search for a firearm or removing a firearm from a person under any other lawful authority.

§ 19.2-387.3. Substantial Risk Order Registry; maintenance; access.

A. The Department of State Police shall keep and maintain a computerized Substantial Risk Order Registry (the Registry) for the entry of orders issued pursuant to § 19.2-152.13 or 19.2-152.14. The purpose of the Registry shall be to assist the efforts of law-enforcement agencies to protect their communities and their citizens. The Department of State Police shall make the Registry information available, upon request, to criminal justice agencies, including local law-enforcement agencies, through the Virginia Criminal Information Network. Registry information provided under this section shall be used only for the purposes of the administration of criminal justice as defined in § 9.1-101.
B. No liability shall be imposed upon any law-enforcement official who disseminates information or fails to disseminate information in good faith compliance with the requirements of this section, but this provision shall not be construed to grant immunity for gross negligence or willful misconduct.

2. That the provisions of this act may result in a net increase in periods of imprisonment or commitment. Pursuant to § 30-19.1:4 of the Code of Virginia, the estimated amount of the necessary appropriation cannot be determined for periods of imprisonment in state adult correctional facilities; therefore, Chapter 854 of the Acts of Assembly of 2019 requires the Virginia Criminal Sentencing Commission to assign a minimum fiscal impact of $50,000. Pursuant to § 30-19.1:4 of the Code of Virginia, the estimated amount of the necessary appropriation cannot be determined for periods of commitment to the custody of the Department of Juvenile Justice.

3. That the Supreme Court shall create standard forms to implement the intent of this act.

B. 1. No dealer shall sell, rent, trade or transfer from his inventory any such firearm to any other person who is a resident of Virginia until he has (i) obtained written consent and the other information on the consent form specified in subsection A, and provided the Department of State Police with the name, birth date, gender, race, citizenship, and social security and/or any other identification number and the number of firearms by category intended to be sold, rented, traded or transferred and (ii) requested criminal history record information by a telephone call to or other communication authorized by the State Police and is authorized by subdivision 2 to complete the sale or other such transfer. To establish personal identification and residence in Virginia for purposes of this section, a dealer must require any prospective purchaser to present one photo-identification form issued by a governmental agency of the Commonwealth or by the United States Department of Defense that demonstrates that the prospective purchaser resides in Virginia. For the purposes of this section and establishment of residency for firearm purchase, residency of a member of the armed forces shall include both the state in which the member's permanent duty post is located and any nearby state in which the member resides and from which he commutes to the permanent duty post. A member of the armed forces whose photo identification issued by the Department of Defense does not have a Virginia address may establish his Virginia residency with such photo identification and either permanent orders assigning the purchaser to a duty post, including the Pentagon, in Virginia or the purchaser's Leave and Earnings Statement. When the photo identification presented to a dealer by the prospective purchaser is a driver's license or other photo identification issued by the Department of Motor Vehicles, and such identification form contains a date of issue, the dealer shall not, except for a renewed driver's license or other photo identification issued by the Department of Motor Vehicles, sell or otherwise transfer a firearm to the prospective purchaser until 30 days after the date of issue of an original or duplicate driver's license unless the prospective purchaser also presents a copy of his Virginia Department of Motor Vehicles driver's record showing that the original date of issue of the driver's license was more than 30 days prior to the attempted purchase.

In addition, no dealer shall sell, rent, trade, or transfer from his inventory any assault firearm to any person who is not a citizen of the United States or who is not a person lawfully admitted for permanent residence.

Upon receipt of the request for a criminal history record information check, the State Police shall (a) review its criminal history record information to determine if the buyer or transferee is prohibited from possessing or transporting a firearm by state or federal law, (b) inform the dealer if its record indicates that the buyer or transferee is so prohibited, and (c) provide the dealer with a unique reference number for that inquiry.

2. The State Police shall provide its response to the requesting dealer during the dealer's request or by return call without delay. If the criminal history record information check indicates the prospective purchaser or transferee has a disqualifying criminal record or has been acquitted by reason of insanity and committed to the custody of the Commissioner of Behavioral Health and Developmental Services, the State Police shall have until the end of the dealer's next business day to advise the dealer if its records indicate the buyer or transferee is prohibited from possessing or transporting a firearm by state or federal law. If not so advised by the end of the dealer's next business day, a dealer who has fulfilled the requirements of subdivision 1 may immediately complete the sale or transfer and shall not be deemed in violation of this section with respect to such sale or transfer. In case of electronic failure or other circumstances beyond the control of the State Police, the dealer shall be advised immediately of the reason for such delay and be given an estimate of the length of such delay. After such notification, the State Police shall, as soon as possible but in no event later than the end of the dealer's next
business day, inform the requesting dealer if its records indicate the buyer or transferee is prohibited from  
possessing or transporting a firearm by state or federal law. A dealer who fulfills the requirements of subdivision  
1 and is told by the State Police that a response will not be available by the end of the dealer’s next third  
business day may immediately complete the sale or transfer and shall not be deemed in violation of this section with  
respect to such sale or transfer.

3. Except as required by subsection D of § 9.1-132, the State Police shall not maintain records longer than 30  
days, except for multiple handgun transactions for which records shall be maintained for 12 months, from any  
dealer's request for a criminal history record information check pertaining to a buyer or transferee who is not  
found to be prohibited from possessing and transporting a firearm under state or federal law. However, the log  
on requests made may be maintained for a period of 12 months, and such log shall consist of the name of the  
purchaser, the dealer identification number, the unique approval number and the transaction date.

4. On the last day of the week following the sale or transfer of any firearm, the dealer shall mail or deliver the  
written consent form required by subsection A to the Department of State Police. The State Police shall  
immediately initiate a search of all available criminal history record information to determine if the purchaser is  
prohibited from possessing or transporting a firearm under state or federal law. If the search discloses  
information indicating that the buyer or transferee is so prohibited from possessing or transporting a firearm, the  
State Police shall inform the chief law-enforcement officer in the jurisdiction where the sale or transfer occurred  
and the dealer without delay.

5. Notwithstanding any other provisions of this section, rifles and shotguns may be purchased by persons who  
are citizens of the United States or persons lawfully admitted for permanent residence but residents of other  
states under the terms of subsections A and B upon furnishing the dealer with one photo-identification form  
determined to be acceptable by the Department of Criminal Justice Services.

6. For the purposes of this subsection, the phrase "dealer's next third business day" shall not include December  
25.

C. No dealer shall sell, rent, trade, or transfer from his inventory any firearm, except when the transaction  
involves a rifle or a shotgun and can be accomplished pursuant to the provisions of subdivision B 5, to any  
person who is not a dual resident of Virginia and another state pursuant to applicable federal law unless he has  
first obtained from the Department of State Police a report indicating that a search of all available criminal  
history record information has not disclosed that the person is prohibited from possessing or transporting a  
firearm under state or federal law. The dealer shall obtain the required report by mailing or delivering the written  
consent form required under subsection A to the State Police within 24 hours of its execution. If the dealer has  
complied with the provisions of this subsection and has not received the required report from the State Police  
within 10 days from the date the written consent form was mailed to the Department of State Police, he shall not  
be deemed in violation of this section for thereafter completing the sale or transfer.

To establish personal identification and dual resident eligibility for purposes of this subsection, a dealer shall  
require any prospective purchaser to present one photo-identification form issued by a governmental agency of  
the prospective purchaser's state of legal residence and other documentation of dual residence within the  
Commonwealth. The other documentation of dual residence in the Commonwealth may include (i) evidence of  
currently paid personal property tax or real estate tax or a current (a) lease, (b) utility or telephone bill, (c)  
voter registration card, (d) bank check, (e) passport, (f) automobile registration, or (g) hunting or fishing
license; (ii) other current identification allowed as evidence of residency by 27 C.F.R. § 178.124 and ATF Ruling 2001-5; or (iii) other documentation of residence determined to be acceptable by the Department of Criminal Justice Services and that corroborates that the prospective purchaser currently resides in Virginia.

D. Nothing herein shall prevent a resident of the Commonwealth, at his option, from buying, renting or receiving a firearm from a dealer in Virginia by obtaining a criminal history record information check through the dealer as provided in subsection C.

E. If any buyer or transferee is denied the right to purchase a firearm under this section, he may exercise his right of access to and review and correction of criminal history record information under § 9.1-132 or institute a civil action as provided in § 9.1-135, provided any such action is initiated within 30 days of such denial.

F. Any dealer who willfully and intentionally requests, obtains, or seeks to obtain criminal history record information under false pretenses, or who willfully and intentionally disseminates or seeks to disseminate criminal history record information except as authorized in this section shall be guilty of a Class 2 misdemeanor.

A National Instant Criminal Background Check System (NICS) check shall be performed prior to such purchase, trade or transfer of firearms.

The Department of State Police shall establish policies and procedures in accordance with 28 C.F.R. § 25.6 to permit such determinations to be made by the Department of State Police, and the processes established for making such determinations shall conform to the provisions of this section.

§ 18.2-308.2:5. Criminal history record information check required to sell firearm; penalty.

federal law from possessing a firearm or such sale is specifically exempted by state or federal law. The Department of State Police shall provide a means by which sellers may obtain from designated licensed dealers the approval or denial of firearm transfer requests, based on criminal history record information checks. The processes established shall conform to the provisions of § 18.2-308.2:2, and the definitions and provisions of § 18.2-308.2:2 regarding criminal history record information checks shall apply to this section mutatis mutandis. The designated dealer shall collect and disseminate the fees prescribed in § 18.2-308.2:2 as required by that section. The dealer may charge and retain an additional fee not to exceed $15 for obtaining a criminal history record information check on behalf of a seller.

A school board may promulgate guidelines for determining what constitutes special circumstances. In addition, a school board may, by regulation, authorize the division superintendent or his designee to conduct a preliminary review of such cases to determine whether a disciplinary action other than expulsion is appropriate. Such regulations shall ensure that, if a determination is made that another disciplinary action is appropriate, any such subsequent disciplinary action is to be taken in accordance with the procedures set forth in this article. Nothing in this section shall be construed to require a student's expulsion regardless of the facts of the particular situation.

B. The Board of Education is designated as the state education agency to carry out the provisions of the federal Improving America's Schools Act of 1994 and shall administer the funds to be appropriated to the Commonwealth under this act.
C. Each school board shall revise its standards of student conduct no later than three months after the date on which this act becomes effective. Applications for assistance shall include:

1. Documentation that the local school board has adopted and implemented student conduct policies in compliance with this section; and

2. A description of the circumstances pertaining to expulsions imposed under this section, including (i) the schools from which students were expelled under this section, (ii) the number of students expelled from each such school in the school division during the school year, and (iii) the types of firearms involved in the expulsions.

Such programs may include training in the use of pneumatic guns. The administration of a school operating a JROTC program shall cooperate with the JROTC staff in implementing such marksmanship training.

"Destructive device" does not include any device that is not designed or redesigned for use as a weapon, or any device originally designed for use as a weapon and that is redesigned for use as a signaling, pyrotechnic, line-throwing, safety, or other similar device, nor shall it include any antique firearm as defined in subsection G of § 18.2-308.2:2.

"Firearm" means any weapon, including a starter gun, that will, or is designed or may readily be converted to, expel single or multiple projectiles by the action of an explosion of a combustible material or the frame or receiver of any such weapon. "Firearm" does not include any pneumatic gun, as defined in subsection E of § 15.2-915.4.

"One year" means 365 calendar days as required in federal regulations.

"School property" means any real property owned or leased by the school board or any vehicle owned or leased by the school board or operated by or on behalf of the school board.

F. The exemptions set out in §§ 18.2-308 and 18.2-308.016 regarding concealed weapons shall apply, mutatis mutandis, to the provisions of this section. The provisions of this section shall not apply to persons who possess such firearm or firearms or pneumatic guns as a part of the curriculum or other programs sponsored by the
schools in the school division or any organization permitted by the school to use its premises or to any law-enforcement officer while engaged in his duties as such.

G. This section shall not be construed to diminish the authority of the Board of Education or the Governor concerning decisions on whether, or the extent to which, Virginia shall participate in the federal Improving America's Schools Act of 1994, or to diminish the Governor's authority to coordinate and provide policy direction on official communications between the Commonwealth and the United States government.

§ 54.1-4201.2. Firearm transactions by persons other than dealers; voluntary background checks.

A. The Department of State Police shall be available at every firearms show held in the Commonwealth to make determinations in accordance with the procedures set out in § 18.2-308.2:2 of whether a prospective purchaser or transferee is prohibited under state or federal law from possessing a firearm. The Department of State Police shall establish policies and procedures in accordance with 28 C.F.R. § 25.6 to permit such determinations to be made by the Department of State Police.

Unless otherwise required by state or federal law, any party involved in the transaction may decide whether or not to have such a determination made.

The Department of State Police may charge a reasonable fee for the determination.

B. The promoter, as defined in § 54.1-4201.1, shall give the Department of State Police notice of the time and location of a firearms show at least 30 days prior to the show. The promoter shall provide the Department of State Police with adequate space, at no charge, to conduct such prohibition determinations. The promoter shall ensure that a notice that such determinations are available is prominently displayed at the show.

C. No person who sells or transfers a firearm at a firearms show after receiving a determination from the Department of State Police that the purchaser or transferee is not prohibited by state or federal law from possessing a firearm shall be liable for selling or transferring a firearm to such person.

D. The provisions of § 18.2-308.2:2, including definitions, procedures, and prohibitions, shall apply, mutatis mutandis, to the provisions of this section.

2. That the provisions of this act may result in a net increase in periods of imprisonment or commitment. Pursuant to § 30-19.1:4 of the Code of Virginia, the estimated amount of the necessary appropriation cannot be determined for periods of imprisonment in state adult correctional facilities; therefore, Chapter 854 of the Acts of Assembly of 2019 requires the Virginia Criminal Sentencing Commission to assign a minimum fiscal impact of $50,000. Pursuant to § 30-19.1:4 of the Code of Virginia, the estimated amount of the necessary appropriation cannot be determined for periods of commitment to the custody of the Department of Juvenile Justice.
Reporting lost or stolen firearms; civil penalty. Requires that, if a firearm is lost or stolen from a person who lawfully possessed it, such person shall report the loss or theft of the firearm to any local law-enforcement agency or the Department of State Police within 48 hours after such person discovers the loss or theft or is informed by a person with personal knowledge of the loss or theft. The bill requires the relevant law-enforcement agency to enter the report information into the National Crime Information Center. A violation is punishable by a civil penalty of not more than $250. The bill provides that a person who, in good faith, reports the loss or theft is immune from criminal or civil liability for acts or omissions that result from the loss or theft. The immunity does not apply to a person who knowingly gives a false report. The bill does not apply to the loss or theft of an antique firearm.

Such form shall include only the written consent; the name, birth date, gender, race, citizenship, and social security number and/or any other identification number; the number of firearms by category intended to be sold, rented, traded, or transferred; and answers by the applicant to the following questions: (i) has the applicant been convicted of a felony offense or found guilty or adjudicated delinquent as a juvenile 14 years of age or older at the time of the offense of a delinquent act that would be a felony if committed by an adult; (ii) is the applicant subject to a court order restraining the applicant from harassing, stalking, or threatening the applicant's child or intimate partner, or a child of such partner, or is the applicant subject to a protective order; and (iii) has the applicant ever been acquitted by reason of insanity and prohibited from purchasing, possessing or transporting a firearm pursuant to § 18.2-308.1:1 or any substantially similar law of any other jurisdiction, been adjudicated legally incompetent, mentally incapacitated or adjudicated an incapacitated person and prohibited from purchasing a firearm pursuant to § 18.2-308.1:2 or any substantially similar law of any other jurisdiction, or been involuntarily admitted to an inpatient facility or involuntarily ordered to outpatient mental health treatment and prohibited from purchasing a firearm pursuant to § 18.2-308.1:3 or any substantially similar law of any other jurisdiction.

B. No dealer shall sell, rent, trade or transfer from his inventory any such firearm to any other person who is a resident of Virginia until he has (i) obtained written consent and the other information on the consent form specified in subsection A, and provided the Department of State Police with the name, birth date, gender, race, citizenship, and social security and/or any other identification number and the number of firearms by category intended to be sold, rented, traded or transferred and (ii) requested criminal history record information by a telephone call to or other communication authorized by the State Police and is authorized by subdivision 2 to complete the sale or other such transfer. To establish personal identification and residence in Virginia for purposes of this section, a dealer must require any prospective purchaser to present one photo-identification form issued by a governmental agency of the Commonwealth or by the United States Department of Defense that demonstrates that the prospective purchaser resides in Virginia. For the purposes of this section and
establishment of residency for firearm purchase, residency of a member of the armed forces shall include both the state in which the member's permanent duty post is located and any nearby state in which the member resides and from which he commutes to the permanent duty post. A member of the armed forces whose photo identification issued by the Department of Defense does not have a Virginia address may establish his Virginia residency with such photo identification and either permanent orders assigning the purchaser to a duty post, including the Pentagon, in Virginia or the purchaser's Leave and Earnings Statement. When the photo identification presented to a dealer by the prospective purchaser is a driver's license or other photo identification issued by the Department of Motor Vehicles, and such identification form contains a date of issue, the dealer shall not, except for a renewed driver's license or other photo identification issued by the Department of Motor Vehicles, sell or otherwise transfer a firearm to the prospective purchaser until 30 days after the date of issue of an original or duplicate driver's license unless the prospective purchaser also presents a copy of his Virginia Department of Motor Vehicles driver's record showing that the original date of issue of the driver's license was more than 30 days prior to the attempted purchase.

In addition, no dealer shall sell, rent, trade, or transfer from his inventory any assault firearm to any person who is not a citizen of the United States or who is not a person lawfully admitted for permanent residence.

Upon receipt of the request for a criminal history record information check, the State Police shall (a) review its criminal history record information to determine if the buyer or transferee is prohibited from possessing or transporting a firearm by state or federal law, (b) inform the dealer if its record indicates that the buyer or transferee is so prohibited, and (c) provide the dealer with a unique reference number for that inquiry.

2. The State Police shall provide its response to the requesting dealer during the dealer's request, or by return call without delay. If the criminal history record information check indicates the prospective purchaser or transferee has a disqualifying criminal record or has been acquitted by reason of insanity and committed to the custody of the Commissioner of Behavioral Health and Developmental Services, the State Police shall have until the end of the dealer's next business day to advise the dealer if its records indicate the buyer or transferee is prohibited from possessing or transporting a firearm by state or federal law. If not so advised by the end of the dealer's next business day, a dealer who has fulfilled the requirements of subdivision 1 may immediately complete the sale or transfer and shall not be deemed in violation of this section with respect to such sale or transfer. In case of electronic failure or other circumstances beyond the control of the State Police, the dealer shall be advised immediately of the reason for such delay and be given an estimate of the length of such delay. After such notification, the State Police shall, as soon as possible but in no event later than the end of the dealer's next business day, inform the requesting dealer if its records indicate the buyer or transferee is prohibited from possessing or transporting a firearm by state or federal law. A dealer who fulfills the requirements of subdivision 1 and is told by the State Police that a response will not be available by the end of the dealer's next business day may immediately complete the sale or transfer and shall not be deemed in violation of this section with respect to such sale or transfer.

3. Except as required by subsection D of § 9.1-132, the State Police shall not maintain records longer than 30 days, except for multiple handgun transactions for which records shall be maintained for 12 months, from any dealer's request for a criminal history record information check pertaining to a buyer or transferee who is not found to be prohibited from possessing and transporting a firearm under state or federal law. However, the log on requests made may be maintained for a period of 12 months, and such log shall consist of the name of the purchaser, the dealer identification number, the unique approval number and the transaction date.
4. On the last day of the week following the sale or transfer of any firearm, the dealer shall mail or deliver the written consent form required by subsection A to the Department of State Police. The State Police shall immediately initiate a search of all available criminal history record information to determine if the purchaser is prohibited from possessing or transporting a firearm under state or federal law. If the search discloses information indicating that the buyer or transferee is so prohibited from possessing or transporting a firearm, the State Police shall inform the chief law-enforcement officer in the jurisdiction where the sale or transfer occurred and the dealer without delay.

5. Notwithstanding any other provisions of this section, rifles and shotguns may be purchased by persons who are citizens of the United States or persons lawfully admitted for permanent residence but residents of other states under the terms of subsections A and B upon furnishing the dealer with one photo-identification form issued by a governmental agency of the person's state of residence and one other form of identification determined to be acceptable by the Department of Criminal Justice Services.

6. For the purposes of this subsection, the phrase "dealer's next business day" shall not include December 25.

C. No dealer shall sell, rent, trade or transfer from his inventory any firearm, except when the transaction involves a rifle or a shotgun and can be accomplished pursuant to the provisions of subdivision B 5 to any person who is not a resident of Virginia unless he has first obtained from the Department of State Police a report indicating that a search of all available criminal history record information has not disclosed that the person is prohibited from possessing or transporting a firearm under state or federal law. The dealer shall obtain the required report by mailing or delivering the written consent form required under subsection A to the State Police within 24 hours of its execution. If the dealer has complied with the provisions of this subsection and has not received the required report from the State Police within 10 days from the date the written consent form was mailed to the Department of State Police, he shall not be deemed in violation of this section for thereafter completing the sale or transfer.

D. Nothing herein shall prevent a resident of the Commonwealth, at his option, from buying, renting or receiving a firearm from a dealer in Virginia by obtaining a criminal history record information check through the dealer as provided in subsection C.

E. If any buyer or transferee is denied the right to purchase a firearm under this section, he may exercise his right of access to and review and correction of criminal history record information under § 9.1-132 or institute a civil action as provided in § 9.1-135, provided any such action is initiated within 30 days of such denial.

F. Any dealer who willfully and intentionally requests, obtains, or seeks to obtain criminal history record information under false pretenses, or who willfully and intentionally disseminates or seeks to disseminate criminal history record information except as authorized in this section shall be guilty of a Class 2 misdemeanor.

G. For purposes of this section:

To be recognized as curios or relics, firearms must fall within one of the following categories:

The provisions of this section shall not apply to restrict purchase, trade or transfer of firearms by a resident of Virginia when the resident of Virginia makes such purchase, trade or transfer in another state, in which case the laws and regulations of that state and the United States governing the purchase, trade or transfer of firearms shall apply. A National Instant Criminal Background Check System (NICS) check shall be performed prior to such purchase, trade or transfer of firearms.

J1. All licensed firearms dealers shall collect a fee of $2 for every transaction for which a criminal history record information check is required pursuant to this section, except that a fee of $5 shall be collected for every transaction involving an out-of-state resident. Such fee shall be transmitted to the Department of State Police by the last day of the month following the sale for deposit in a special fund for use by the State Police to offset the cost of conducting criminal history record information checks under the provisions of this section.

K. Any person willfully and intentionally making a materially false statement on the consent form required in subsection B or C or on such firearm transaction records as may be required by federal law, shall be guilty of a Class 5 felony.

This subsection shall not apply to a federal law-enforcement officer or a law-enforcement officer as defined in § 9.1-101, in the performance of his official duties, or other person under his direct supervision.

However, if the violation of this subsection involves such a transfer of more than one firearm, the person shall be sentenced to a mandatory minimum term of imprisonment of five years. The prohibitions of this subsection shall not apply to the purchase of a firearm by a person for the lawful use, possession, or transport thereof, pursuant to

Q. Prior to selling, renting, trading, or transferring any firearm owned by the dealer but not in his inventory to any other person, a dealer may require such other person to consent to have the dealer obtain criminal history record information to determine if such other person is prohibited from possessing or transporting a firearm by state or federal law. The Department of State Police shall establish policies and procedures in accordance with 28 C.F.R. § 25.6 to permit such determinations to be made by the Department of State Police, and the processes established for making such determinations shall conform to the provisions of this section.

R. Except as provided in subdivisions 1 and 2, it shall be unlawful for any person who is not a licensed firearms dealer to purchase more than one handgun within any 30-day period. For the purposes of this subsection, "purchase" does not include the exchange or replacement of a handgun by a seller for a handgun purchased from such seller by the same person seeking the exchange or replacement within the 30-day period immediately preceding the date of exchange or replacement. A violation of this subsection is punishable as a Class 1 misdemeanor.

1. Purchases in excess of one handgun within a 30-day period may be made upon completion of an enhanced background check, as described in this subsection, by special application to the Department of State Police listing the number and type of handguns to be purchased and transferred for lawful business or personal use, in a collector series, for collections, as a bulk purchase from estate sales, and for similar purposes. Such applications shall be signed under oath by the applicant on forms provided by the Department of State Police, shall state the purpose for the purchase above the limit, and shall require satisfactory proof of residency and identity. Such application shall be in addition to the firearms sales report required by the federal Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF). The Superintendent of State Police shall promulgate regulations, pursuant to the Administrative Process Act (§ 2.2-4000 et seq.), for the implementation of an application process for purchases of handguns above the limit.

Upon being satisfied that these requirements have been met, the Department of State Police shall immediately issue to the applicant a nontransferable certificate, which shall be valid for seven days from the date of issue. The certificate shall be surrendered to the dealer by the prospective purchaser prior to the consummation of such sale and shall be kept on file at the dealer's place of business for inspection as provided in § 54.1-4201 for a period of not less than two years. Upon request of any local law-enforcement agency, and pursuant to its regulations, the Department of State Police may certify such local law-enforcement agency to serve as its agent to receive applications and, upon authorization by the Department of State Police, issue certificates immediately pursuant to this subdivision. Applications and certificates issued under this subdivision shall be maintained as records as provided in subdivision B 3. The Department of State Police shall make available to local law-
enforcement agencies all records concerning certificates issued pursuant to this subdivision and all records provided for in subdivision B 3.

2. The provisions of this subsection shall not apply to:

a. A law-enforcement agency;

b. An agency duly authorized to perform law-enforcement duties;

c. A state or local correctional facility;

d. A private security company licensed to do business within the Commonwealth;

e. The purchase of antique firearms;

f. A person whose handgun is stolen or irretrievably lost who deems it essential that such handgun be replaced immediately. Such person may purchase another handgun, even if the person has previously purchased a handgun within a 30-day period, provided that (i) the person provides the firearms dealer with a copy of the official police report or a summary thereof, on forms provided by the Department of State Police, from the law-enforcement agency that took the report of the lost or stolen handgun; (ii) the official police report or summary thereof contains the name and address of the handgun owner, a description of the handgun, the location of the loss or theft, the date of the loss or theft, and the date the loss or theft was reported to the law-enforcement agency; and (iii) the date of the loss or theft as reflected on the official police report or summary thereof occurred within 30 days of the person's attempt to replace the handgun. The firearms dealer shall attach a copy of the official police report or summary thereof to the original copy of the Virginia firearms transaction report completed for the transaction and retain it for the period prescribed by the Department of State Police;

For purposes of this subdivision, "private sale" means a purchase from a person who makes occasional sales, exchanges, or purchases of firearms for the enhancement of a personal collection of curios or relics or who sells all or part of such collection of curios and relics; or

j. A law-enforcement officer. For purposes of this subdivision, "law-enforcement officer" means any employee of a police department or sheriff's office that is part of or administered by the Commonwealth or any political subdivision thereof and who is responsible for the prevention and detection of crime and the enforcement of the penal, traffic, or highway laws of the Commonwealth.

Pursuant to § 30-19.1:4 of the Code of Virginia, the estimated amount of the necessary appropriation is $0 for periods of imprisonment in state adult correctional facilities and cannot be determined for periods of commitment to the custody of the Department of Juvenile Justice.
FIREARMS – SUMMARY ONLY

SB436 – §§ 18.2-308.09, 18.2-308.2:1, 18.2-308.2:2, 18.2-308.2:3 and adding sections 52-50, 52-51, and 52-52 – Establishment of the Virginia Voluntary Do Not Sell Firearms List; penalty. Creates the Virginia Voluntary Do Not Sell Firearms List (the List) that prohibits the possession, transportation, and sale of firearms to any person who voluntarily registers himself to be enrolled into the List. The List shall be maintained and updated by the Department of State Police. The bill makes it a Class 3 misdemeanor for any person enrolled into the List to purchase, possess, or transport a firearm. The bill disqualifies any person enrolled into the List from obtaining a concealed handgun permit and prohibits such person from being employed by a firearms dealer. The bill also makes it a Class 1 misdemeanor for any person who sells, barters, gives, or furnishes, or has in his possession or under his control with the intent of selling, bartering, giving, or furnishing, any firearm to any person he knows is enrolled into the List. The bill has a delayed effective date of July 1, 2021.

HB264 and SB263 – §§ 18.2-308.02 and 18.2-308.06 – Concealed handgun permits; demonstration of competence. Removes the option for concealed handgun permit applicants to demonstrate competence with a handgun by completing an electronic, video, or online course conducted by a state-certified or National Rifle Association-certified firearms instructor. The bill does not affect any in-person means of satisfying the requirement to demonstrate competence with a handgun under current law. The bill has a delayed effective date of January 1, 2021. This bill is identical to SB 263.

SB14 – § 18.2-308.5:1 – Trigger activators; prohibition; penalty. Prohibits the manufacture, importation, sale or offer to sell, possession, transfer, or transportation of a trigger activator, defined in the bill as a device designed to allow a semi-automatic firearm to shoot more than one shot with a single pull of the trigger by harnessing the recoil energy of any semi-automatic firearm to which it is affixed so that the trigger resets and continues firing without additional physical manipulation of the trigger by the shooter. A violation is punishable as a Class 6 felony.

SB173 – § 18.2-308.1 – Prohibition on possession of stun weapon on school property; exemptions. Allows the holder of a valid concealed handgun permit to possess a stun weapon on school property while in a motor vehicle in a parking lot, traffic circle, or other means of vehicular ingress or egress to the school. The bill also allows a stun weapon to be stored in a closed container in a motor vehicle while such vehicle is on school property.

HB1080 – § 18.2-308.1 – Firearms or other weapons on school property. Provides that no school board may authorize or designate any person to possess a firearm on school property other than those persons expressly authorized by statute. The bill also clarifies that no exemption exists for a special conservator of the peace to possess a firearm or other weapon on school property.

SB71 – § 18.2-308.1 – Firearms on school property. Adds public, private, or religious preschools and licensed child day centers that are not operated at the residence of the provider or of any of the children to the list of schools where possessing a firearm on school property or on a school bus is prohibited. The provisions of the bill regarding child day centers and preschools only apply during the regular operating hours of such child day center or preschool and shall not apply to any person (i) whose residence is on the property of a child day center or a private or religious preschool and (ii) who possesses a firearm or other prohibited weapon while in his residence. Under current law, the list of such schools only includes public, private, or religious elementary, middle, or high schools. The bill also provides that a licensed child day center or religious or private preschool may hire an armed security officer to provide security services.

SB684 – §§ 18.2-308.1:3 and 37.2-821 – Involuntary commitment and restoration of firearm rights. Responds to the holding in Paugh v. Henrico Area Mental Health and Developmental Services, Record No. 121562 (2013), in which the Supreme Court of Virginia held that on appeal by trial de novo in circuit court of an order of involuntary commitment by a district court, upon the circuit court's finding that the appellant no longer meets the criteria for involuntary commitment, the proper remedy is dismissal of the Commonwealth's
petition for involuntary commitment, thereby rendering the original commitment order a nullity. As such, because the original petition would in effect never have existed, forfeiture of the right to possess a firearm as required by § 18.2-308.1:3 upon involuntary commitment would no longer be in effect. Section 18.2-308.1:3 requires that a person who has been involuntarily committed and seeks to have his firearm rights restored petition a district court for restoration of his firearm rights. The ruling in *Paugh*, by requiring dismissal of the original petition for commitment, removes that requirement even though on the date of the original commitment hearing the person did meet the criteria for commitment and was, in fact, involuntarily committed. The bill provides that, notwithstanding the outcome of any appeal (trial de novo on the petition for commitment) taken pursuant to § 37.2-821 or § 16.1-345.6, the appellant shall be required to seek restoration of his firearm rights. The bill also provides that, upon a finding by the circuit court that the appellant no longer meets the criteria for involuntary commitment or mandatory outpatient treatment, the court shall reverse the order of the district court but shall not dismiss the Commonwealth's petition. As a consequence of these changes, a person who is involuntarily committed would be required to petition for restoration of his firearm rights notwithstanding the reversal of the commitment order by a circuit court.

**HB421 – §§ 15.2-915 and 15.2-915.5 – Control of firearms by localities.** Authorizes any locality by ordinance to prohibit the possession or carrying of firearms, ammunition, or components or any combination thereof in (i) any building, or part thereof, owned or used by such locality for governmental purposes; (ii) any public park owned or operated by the locality; (iii) any recreation or community center facility; or (iv) any public street, road, alley, sidewalk or public right-of-way or any other place of whatever nature that is open to the public and is being used by or is adjacent to a permitted event or an event that would otherwise require a permit. Provisions limiting the authority of localities and state governmental entities to bring lawsuits against certain firearms manufacturers and others are also repealed. The bill also provides that any firearm received by the locality pursuant to a gun buy-back program shall be destroyed by the locality unless the person surrendering such firearm requests in writing that such surrendered firearm be sold. The provisions of the bill do not apply to the activities of a Senior Reserve Officers’ Training Corps program operated at a public or private institution of higher education or (ii) any intercollegiate athletics program operated by a public or private institution of higher education and governed by the National Collegiate Athletic Association or any club sports team recognized by a public or private institution of higher education where the sport engaged in by such program or team involves the use of a firearm. The bill contains technical amendments. This bill is identical to **SB 35**.

**SB600 – §§ 15.2-914 and adding 63.2-1701.01 – Family day homes; storage of firearms.** Requires that during hours of operation, all firearms in a licensed family day home, registered family day home, or family day home approved by a family day system be stored unloaded in a locked container, compartment, or cabinet, and that all ammunition be stored in a separate locked container, compartment, or cabinet. The bill requires that the key or combination to such locked containers, compartments, or cabinets be inaccessible to all children in the home. This bill is identical to **SB 593**.
Community Policing Act; data collection and reporting requirement. Prohibits law-enforcement officers and State Police officers from engaging in bias-based profiling, defined in the bill, in the performance of their official duties. The bill directs the Department of State Police (the Department) to create the Community Policing Reporting Database into which sheriffs, police forces, and State Police officers report certain data pertaining to motor vehicle or investigatory stops. The Department is directed to provide access to the database to the Department of Criminal Justice Services (DCJS) for the purpose of analyzing motor vehicle and investigatory stops and records of complaints alleging the use of excessive force. The data analysis shall be used to determine the existence and prevalence of the practice of bias-based profiling and the prevalence of complaints alleging the use of excessive force. The bill requires that each time a local law-enforcement officer or State Police officer stops a driver of a motor vehicle the officer collect the following data based on the officer’s observation or information provided to the officer by the driver: (i) the race, ethnicity, age, and gender of the person stopped; (ii) the reason for the stop; (iii) the location of the stop; (iv) whether a warning, written citation, or summons was issued or whether any persons were arrested; (v) if a warning, written citation, or summons was issued or an arrest was made, the warning provided, violation charged, or crime charged; and (vi) whether the vehicle or any person was searched. The bill requires each state and local law-enforcement agency to also collect and report to the State Police the number of complaints the agency receives alleging the use of excessive force. The bill also requires the Director of DCJS to annually report the findings and recommendations resulting from the collection, analysis, and interpretation of the data from the Database to the Governor, the General Assembly, and the Attorney General beginning July 1, 2021. The report shall include information regarding any state or local law-enforcement agency that has failed or refused to report the required data. A copy of the report shall be provided to each attorney for the Commonwealth of the county or city in which a reporting law-enforcement agency is located.

Increases from 14 years of age to 16 years of age the minimum age at which a juvenile must be tried as an adult in circuit court for murder or aggravated malicious wounding; however, if the juvenile is 14 years of age or older but younger than 16 years of age, the court, on motion of the attorney for the Commonwealth, shall hold a transfer hearing. The minimum age is also raised from 14 to 16 for certain charges requiring notice of intent to try such juvenile as an adult by the attorney for the Commonwealth. In order to be tried as an adult in circuit court for the charges that under current law require notice of intent to proceed with trial as an adult by the attorney for the Commonwealth, the bill requires that (i) a report concerning the juvenile be prepared by the court services unit or other qualified agency and (ii) the attorney for the Commonwealth provide written notice that he intends to proceed with a preliminary hearing for trial of such juvenile as an adult, including affirmation that he has read the report. Current law provides an affirmative defense to such offenses only when an individual seeks or obtains emergency medical attention for himself, if he is experiencing an overdose, or for another individual, if such other individual is experiencing an overdose.

HB1049 – §§ 2.2-2203.3, 2.2-3004, 2.2-3900 through 2.2-3903, 2.2-4200, 2.2-4310, 2.2-4343.1, 4.1-101.05, 6.2-501, 15.2-853, 15.2-854, 15.2-965, 15.2-1131, 15.2-1507, 15.2-1604, 15.2-6314.1, 22.1-212.6:1, 22.1-306, 22.1-349.3, 23.1-1009, 23.1-1017, 23.1-2213, 23.1-2312, 23.1-2405, 23.1-2415, 23.1-3011, 23.1-3138, 36-55.26, 36-96.1 through 36-96.3, 36-96.4, 36-96.6, 37.2-707, 38.2-508.2,

The bill clarifies that if a cost estimate exceeds $200 and the public body requires an advance deposit, the public body may require the requester to pay the advance deposit before the public body is required to process the request. This bill is a recommendation of the Virginia Freedom of Information Advisory Council.

HB873 – §§ 19.2-389 and adding sections 19.2-264.6 through 19.2-264.14 – Discovery in criminal cases. Establishes requirements and procedures for discovery by an accused and by the Commonwealth in a criminal case. The bill requires a party requesting discovery to request that the other party voluntarily comply with such request prior to filing any motion before a judge. Finally, the bill grants the court the ability to impose various remedies it deems just if a party fails to comply with any of the requirements. This bill incorporates HB 1153.

The measure increases the minimum tether length required to constitute adequate space to 15 feet in length or four times the length of the animal, whichever is greater. Current law requires the tether to be at least 10 feet in length or three times the length of the animal, whichever is greater. The bill provides an exception for a case in which an animal control officer, having inspected an animal's individual circumstances, determines that a shorter tether of at least 10 feet or three times the length of the animal makes the animal safer, more suited, and better equipped to tolerate its environment than a longer tether would.
