TO: User Agency Requirements Committee (UARC) Representatives
FROM: Captain Thomas A. Bradshaw 
SUBJECT: STARS Training Facility

There is a training facility at the State Police Headquarters located at 7700 Midlothian Turnpike that can be made available and be equipped to conduct STARS training.

If your agency wishes to conduct STARS training at this location, you will need to contact First Sergeant Michael Berry at mike.berry@vsp.virginia.gov to reserve the facility and Mr. Larry Hall at larry.hall@vsp.virginia.gov to set up the equipment. Also, should your trainers require STARS training, please notify Mr. Hall to begin the process.

The Phase 5 project to replace all STARS subscribers is scheduled to commence in 2020 and is expected to last three years. It will include classroom train-the-trainer and mandatory on-line training for every user.
